## 20 YEAR OLD DIES AFTER TRAGIC WHEELCHAIR ACCIDENT

By Francesca Evans

A 20-year-old disabled woman died after falling into Lyme Regis harbour whilst strapped into her electric wheelchair.

Clair Perkins, who was terminally ill and severely disabled, was visiting from Solihull in the West Midlands. She was on the Cobb on Friday afternoon with her parents when her wheelchair suddenly plunged into the 10 feet deep water, on the harbour-side of Victoria Pier.

It is thought there was a

fault with the wheelchair, which is normally controlled by her parents.

First on the scene was

local fisherman Harry May, 65, who was just mooring his "Marie F" boat nearby. Along with another man, who is believed to have been a coastguard, and later a paramedic, Mr May dived underwater in several attempts to rescue the woman before Lyme Regis lifeboat crew arrived, but

only managed to retrieve a piece of material and the back of the wheelchair due to its weight.

Mr May said he had hold of the wheelchair at one point but it slipped away as he struggled to the surface. He said he had difficulties because the water was so cold and murky, meaning he couldn't see the woman or chair.

Lyme's main beach was cleared for Devon Air Ambulance to land whilst a team of six lifeboatmen made attempts to rescue Miss Perkins but had problems as she was strapped into the heavy wheelchair.

She was eventually lifted to the surface unconscious by eight men over 30 minutes after falling in, but a pulse was still found.

HIGH Street giant WH Smith are planning to open a shop in Lyme Regis.

A spokesperson for the company confirmed this week that they were negotiating for premises in Broad Street.

Miss Perkins was airlifted to Dorchester Hospital but was later pronounced dead.

Lifeboat Operations Manager and harbourmaster, Graeme Forshaw, praised all those involved in the rescue. He said everyone who took part should "stand proud".

The Mayor of Lyme Regis, Councillor Sally Holman, also praised those

who took part in the rescue, saying they "worked together in a co-ordinated and professional way".

She added: "The townspeople, including the families of those personally involved in the response teams, join with us in expressing sympathy at this very sad time."

## Jedward-mania!

THE whole town was talking about Irish pop star twins John and Edward Grimes, of "X Factor" and "Celebrity Big Brother" fame, when they visited Lyme Regis over the weekend. The quirky twins, known for their eccentric dress sense and spiked hair, stayed at the Bay Hotel whilst filming along the Jurassic Coast for a new CBBC programme "Jedward's Big Adventure" with Rav Wilding from BBC's "Crimewatch". They are pictured filming on Lyme's shingle beach with a fossil model (photo by Denis Spacey).

**PUBLISHER** Julie Musk, 42, reveals this week what it takes to write a book and why she has found her dream job running her own business.

Born in Lymington and brought up in Christchurch, Julie has lived all over the world on RAF bases with her husband Tim.

Julie and Tim have now settled at their home in Burton Bradstock, where they live with their children, William and Rosie, and a teenage Border Collie.

Julie is a freelance editor and project manager and also runs her own publishing company, Dorset book specialist Roving Press, with her husband Tim.

### ■ WHAT do you like most about West Dorset?

The wild, varied countryside, there's so much to explore. Also our incredible heritage; Dorset has so many special, ancient places full of atmosphere in a relatively small area. Living in America really brought this home to me.

### ■ WHAT would you like to change?

The number of hours in the day. I always feel in a rush, there's so much more I'd like to do but don't have time for. A personal assistant would be lovely, to allow more quality time with the family, and more me-time too.

### ■ WHAT inspired you to start writing?

I left college wanting to be a journalist but couldn't get an opening. Working for a book publisher was the next best thing. I love the creativity of writing, the research and learning you get from the process.

### ■ DO you believe everyone has a book in them?

This is a bit of a cliché and I'm not sure everyone could or would want to write a book. Inspiration is one thing, actually having the time and putting in the effort to write well is another. Writing a book is hard work.

As an editor, the quality and standard of English concerns me and it seems too many books go to print without any professional input or checks. Someone may have a great story to tell, but can they put it into good English?

### ■ WHAT top three tips would you give to an amateur writer?

Work at your writing, it's a skill that gets better with practice. Have your draft work read by others to get some comment and critical feedback. But don't rely on family and friends to necessarily comment effectively. Read your prose out loud to see how it sounds, how it flows. This is especially important when writing dialogue.

### ■ WHAT would be your dream job?

Actually it's what I do now - working with authors to create something inspiring and lasting. With new authors you have to nurture them. I work very closely with them, using my professional skills to help create something we can all be proud of. Their enthusiasm is infectious and it's lovely to help see a dream come true.

### ■ WHERE do you see yourself in five years time?

Probably buried under heaps of books in our small cottage, perhaps, vainly, encouraging the kids to take up a career in publishing and help run the family business.

### ■ WHO would be your three dream guests at a dinner party and why?

Michael Palin, as he's got a great sense of humour and would have such amazing travel stories to tell; Johnny Depp, because he's gorgeous, intelligent and quirky; and Hugh Fearnley-Whittingstall, as he's down-to-earth and could cook for us.

### ■ WHAT was the last book you read, film you watched and CD you listened to?

I read *The Bookseller of Kabul* which was thought-provoking and really made me appreciate our freedom. I watched *Tamara Drew* and would do so again as it has a lot of background detail you can't catch the first time around. I'm listening to albums by *The Dolmen* at the moment, a Weymouth Celtic band. I first came across them when I interviewed Taloch, the lead singer and composer, for my book *Lesser Known Weymouth*, and their music is very different, inspired by local folklore and history.

# Chairmen meeting 'in secret'

FORMER mayor Michaela Ellis has accused town council committee chairmen of meeting behind closed doors.

Speaking at last week's full meeting of Lyme Regis Town Council, Councillor Ellis said she understood that the chairmen of the various committees were meeting regularly with town clerk Mike Lewis but no minutes were being taken and other councillors, therefore, did not

know what was being discussed. "If these meetings are being held, where are the agendas and minutes?" she asked.

"As a councillor I should know what is being discussed at these meetings and the ratepayers should know as well."

Mr Lewis confirmed that since the election chairmen of the committees had been getting together to

discuss items which "inevitably come back to council."

Councillor Ellis: "If you are getting together and having meetings, minutes should be prepared for councillors and members of the public."

Councillor Turner: "As far as I am concerned this is common practice on other councils."

Mr Lewis said that the chairmen were meeting the following Friday when Councillor Ellis' comments

## Church Street residents invited to Hub meeting

RESIDENTS of Church Street have been invited to a meeting to discuss their issues regarding The Hub youth club in Lyme Regis.

Youth worker James Ward-Rice has posted invites to the meeting, which will be held tomorrow (Thursday), to the youth club's neighbouring residents who expressed an interest in discussing their problems.

The meeting comes following complaints about the behaviour of young people on The Hub's first youth cafe session on Friday, September 30th (see page 7 for full story).

that WH Smith are looking to take over the premises occupied by Acorn.

The owner of Acorn, Mr Graham Heath-Coleman, posted notice on his front window saying that the gift shop would close on January 28th.

The notice said: "We regret we can no longer afford to continue to trade in Lyme Regis due to an increase in rent. After 27 years this is a hard but necessary decision we have had to make."

Mr Heath-Coleman told the *View from Lyme Regis* that his rent had been increased by the owners, a London property developer, by 220 per cent since 2008.

Acorn will continue to trade from their Axminster shop in Victoria Place.

both county and district council level.

Councillor Ellis: "If you are getting together and having meetings, minutes should be prepared for councillors and members of the public."

Councillor Turner: "As far as I am concerned this is common practice on other councils."

Mr Lewis said that the chairmen were meeting the following Friday when Councillor Ellis' comments

could be considered.

After that meeting, the town clerk confirmed that Councillor Ellis' views had been discussed and he had suggested that he seeks advice from the Dorset Association of Town and Parish Councils on the validity of such meetings.

The chairmen of the committees are: Strategy and Policy - Mark Gage; Planning and Highways - Anita Williams; Community Development Partnership - Lorna Jenkin; Tourism and Advertising Sub-Committee - Lorna Jenkin; Operational Management Sub-Committee - Chris Clipson, Organisational Management Sub-

Committee - Sally Holman.

◆ TOWN clerk Mike Lewis has told councillors that they had been able to fund the £1.2 million shelters without destabilising the 2010-2011 and 2011-2012 budgets.

However, he warned the council they would have to be cautious in the future, saying: "Although all of this has been achieved without having to raid other earmarked reserves or to liquidate assets, it has necessarily depleted the general reserve fund as expected and a cautious approach must therefore be adopted, certainly in the short and medium term."

# Appeal for grit bin to prevent 'atrocious' conditions in winter

RESIDENTS of Charmouth Close in Lyme Regis have complained that no response to their request for a grit bin has been received from the town council.

Speaking in the public forum of last week's full council meeting, Douglas Kaxe said he had written to the council in April asking about the procedure to get a grit box on the road, adding that residents would be happy to pay for it, and did not get a reply. He then visited the council in May and his wife later received a phone call that had left the couple confused.

Neighbour Lyn Paterson, who cares for the elderly and vulnerable as well as a student with learning difficulties at St Michael's Pri-

mary School, said her callouts last winter were "atrocious".

"I had two nasty falls in the same day," she added.

"I had to depend on a friend with a four by four car to provide essential food to my family and the elderly residents of Charmouth Close. If we could have a grit bin it would be really helpful and we are willing to pay for it."

Town clerk Mike Lewis said the council did not ask residents to pay for their own grit bins. He said that he would speak to the

deputy town clerk the following day to ensure a grit bin was placed in Charmouth Close for the coming winter season.

"In Lyme we have a particular problem," he added, "as there are more residential areas on hills than in Bridport, for example. We have been trying to provide bins for the hilliest areas."

Councillor Chris Clipson, who is chairman of the Operational Management Sub-committee, said he would personally reply to Mr Kaxe's letter the following day.

## Speed bumps not a priority, says county councillor

TOWN councillors have been told that creating speed bumps in Anning Road and Kingsway in Lyme Regis is "very low priority" for Dorset County Council.

County councillor for Lyme Regis, Colonel Geoffrey Brierley, reported last week that the town council's request for speed bumps to slow down traffic and improve road safety for school children in the area was unlikely to happen. The type of bumps that were requested were wider humps, which would create a safe crossing point outside St Michael's Primary School.

Colonel Brierley said the humps would take away parking spaces and he had already been approached by one local resident who was against the idea because parking was already a problem in the area.

He also reported that the county council's Safer Routes to School Scheme had been

cut and there was no money available for the speed bumps.

He added: "We have never, in the 11 years that I have been county councillor, had a request from the school for this type of crossing. They also cause problems for drivers with back problems and emergency services don't like them because they slow them down, and they would not want to take a patient with a spinal injury over them."

Colonel Brierley said that police had checked the speed of vehicles in the area and said barely anyone was found to be speeding. "When you're walking it can look like people are speeding but they're not," he added.

He concluded that the speed bumps were "very low priority" as there was no injury record for accidents in Anning Road or Kingsway.

## Former councillor calls for better way to advertise local businesses

THE amount and quality of advertising signage around Lyme Regis was raised again at last week's full council meeting.

The Tourism and Advertising Sub-committee's recent discussion about the possibility of getting rid of the signage on railings at Cobb Gate, which Councillor Terry O'Grady said was "starting to look like a football pitch" and was "ruining the quality of the town", has sparked several responses from local traders, who argue that the council should be supporting them in tough economical times.

In the public forum of last week's full

## Horn bridge yellow lines will be painted but 'not in a hurry'

TOWN councillors have been told that Horn Bridge in Lyme Regis will get double yellow lines to prevent obstructive parking, but it "will not happen in a hurry", according to county councillor Colonel Geoffrey Brierley.

Following Colonel Brierley's walk around Lyme Regis, during which highways and traffic problems were pointed out by town councillors, he said he thought it was a "good idea" to have double yellow lines on one side of the bridge

on Colway Lane.

He said: "This would have my support and I think there also should be lines on the corner of Springfield Gardens."

However, he warned councillors that this wouldn't happen for a while.

"It will not happen in a hurry. It's at the bottom of a long list but it's on there, so that's a start."

Colonel Brierley also reported that structural repairs to the bridge would start on October 17th.

# Fisherman recalls 'tragic' incident at the Cobb

A HUGE rescue attempt was made by emergency services and a local boatman when a disabled woman fell off the Cobb wall in Lyme Regis while strapped into her electric wheelchair.

Clair Perkins, 20, who had a rare terminal illness, was visiting from Solihull in the West Midlands when she fell into the harbour-side of Victoria Pier on the Cobb on Friday afternoon. Fisherman Harry May, 65, was just mooring his boat at the end of the Cobb when he heard a splash and jumped in after her.

Speaking to the *View From Lyme Regis*, he re-

By Francesca Evans

called his initial reaction and how the "tragic" incident unfolded: "I didn't jump in straight away because I thought the instant cold would drain away my energy. I stripped off, climbed down a ladder and went in as quick as I could. I tried going down two or three times but I could feel the cold zapping away my energy. It was about 10 feet deep and I couldn't see a thing, the water was so murky."

"I grabbed hold of some material and started pulling. I could tell by the weight

that I had her but as I struggled to the surface just a coat or a blanket came up."

By this time PCSO Luke White had arrived on the scene. Mr May told him to jump on his boat and get an extended boat hook.

"I reached down and tried to grab something but it was no good."

Mr May said another man who he later believed to be a coastguard also jumped in.

He added: "He seemed really up for it and he looked like he could do it. He went down with the rope and hooked it on to the chair. By this time there was quite a crowd on the Cobb. We started pulling and the back of the chair came up."

Lyme Regis lifeboat crew arrived on the scene at 1pm. Mr May said they kept going down but he thought they struggled in their watertight suits which help them float.

"They were trying so hard," he added. "Elliott Herbert was particularly putting in a real big effort."

Other crew members involved were Martin Croad, Brian Street, Dave Street, John Cable and Rob Crabbe, and a paramedic also dived under the water.

Mr May said he believed Miss Perkins was in the water for about 40 minutes before the emergency services managed to pull her out. "Amazingly, they found a pulse," he added.

While the rescue was being carried out the beach was cleared for the Devon Air Ambulance and the w o m a n was taken to Dorchester Hospital where she later died.

Lifeboat operations manager

Cobb and I tried to lift it up, it felt like it was fixed to the Cobb. It was so heavy that it eventually took eight men to get it over the rim of the Cobb.

"At the time I didn't feel like I did very much. I felt a bit helpless. I was swimming in her bubbles, she was still breathing but I couldn't get to her."

I wouldn't have been able to get her up myself. It wasn't a regular wheelchair and she was really strapped in. If it was an elderly person just sat in a normal chair it might have been a different story.

"Many, many others would have done what I did. I just thought I have to do this. Her mother just kept screaming. I had to. I've never had to do anything like that before. It was a once in a lifetime tragedy."

Mr May said he now thought people would be calling for more safety measures on the Cobb, including railings, which he described as "completely unnecessary", as the incident was so rare.

## Mayor sends out sympathy to those involved in Cobb accident

LYME Regis Town Council has issued a statement of sympathy and condolences to the family and friends of Clair Perkins and to all those involved in the rescue attempt.

The Mayor of Lyme Regis, Councillor Sally Holman, speaking on behalf of the whole community, said: "Many thousands of people visit the Cobb every year and nothing like this has happened within living memory."

"The lifeboat crew, coastguards, local boatmen, police, harbour staff, paramedics and members of the

public all worked together in a co-ordinated and professional way to do everything possible to save the young lady but unfortunately were unable to do so.

"The townspeople, including the families of those personally involved in the response teams, join with us in expressing sympathy at this very sad time."

◆ The flag at the Harbourmaster's Office on The Cobb was flying at half mast this week.

# 'Frightening' behaviour at Hub's opening night

Resident concerned for young people's safety after they lay in the road before oncoming traffic

ALYME Regis resident has expressed concerns over the safety of young people at The Hub, after watching them lie in the road in front of traffic on the youth club's opening night.

Maureen Wheeler was dining in Antonio's Trattoria Italian Restaurant in Church Street on Friday, September 30th when The Hub held its first youth cafe session. Speaking in the public forum of last week's full town council meeting, Mrs Wheeler said: "What I witnessed that night frightened

ened the life out of me and the other diners. It ruined my night with my friends."

While emphasising that she was not against The Hub, Mrs Wheeler said the children were "absolutely out of order" as they played "chicken" by lying in the street before oncoming traffic and skateboarding up and down Church Street "delighting" in making pedestrians step onto the road.

She described the scene: "Three girls, lying face down, arms outstretched, right across the street with a double decker bus coming around the corner."

Mrs Wheeler reported that one diner went outside to ask the youngsters to stop and was told by a girl: "You can't speak to me like that."

Mrs Wheeler added: "After being told by one youngster that said diner

could not enter the club, the diner asked him to get someone in charge to come out." The diner was eventually able to speak to Marcus Dixon and youth worker James Ward-Rice,

She added: "That was the reality of Friday night. The article in last week's *View From Lyme Regis* says that the matter was dealt with. I would like to know what was done and how it will be prevented in the future. My concern on all that happened on Friday evening was for the safety of those

boys and girls.

"I'm ashamed to say that all I did was sit and feel that out in the street was an accident waiting to happen. I'm a car driver and had I suddenly been confronted by three bodies lying in the road I could have had a heart attack, and I've had three of those.

"Imagine when faced with a situation like that. Where do you swerve to? The plate glass window of the restaurant or swerve the other side into brick walls? But most worrying of all is

how many people will you injure or possibly kill? Please don't let that happen.

"Please show us and tell us what you will do to prevent this sort of behaviour happening again."

Speaking as chairman of The Hub Development Group, Councillor Mark Gage said: "It is an awful shame that there was a disturbance on Friday evening. It was the first session and in so many ways it was a great success with almost 50 people attending.

"It's a very different facility than InSPARATION as it's much bigger and we are still looking at how best to manage it."

Councillor Gage said one of the problems was staffing and that he would welcome volunteers of all ages to help at The Hub.

## New seafront shelters targeted by vandals

VANDALS have targeted the recently refurbished Marine Parade shelters in Lyme Regis, shattering two panels of glass balustrading and causing other damage.

Police have reported that overnight between October 4th and 5th, unknown vandals dragged a paving slab from the area around the gazebo in Langmoor Gardens down the central steps to the top of the shelters, causing damage to the wood edging of the steps.

The paving slab was then broken into small pieces, which were used to completely shatter two panels of glass balustrading, which have now been coned off.

The vandals also attempted to shatter the "walk-on" glass panel in the roof of the shelters' central pavilion, but this was only slightly damaged.

In the public forum of last week's full town council meeting, Lyme Regis resident Derek Hallett asked where the CCTV cameras that the council planned to install on the shelters were.

He said: "I hear the vandals moved into the shelters last night. Where are the cameras? At least they would have had them on camera. Instead we are going to have to pay several thousand for it."

Town clerk Mike Lewis reported that he would be meeting with police this week to check they were going along the right lines with the CCTV cameras. He said that councillors also needed to approve quotations before the cameras were ordered.

"It's a shame and it would be nice to always have cameras," he added, "but like with anything else the council has to approve all expenditure first."

Witnesses or anyone who has any information on the shelters vandalism should contact the police on their non-emergency number 101 or contact PC Richard Winward on 07500 816312 or email richard.winward@dorset.pnn.police.uk

# Lyme cyclist raises £1,000 for the Prostate Cancer Charity

A LYME Regis resident raised £1,000 for the Prostate Cancer Charity by taking part in the 100-mile Kielder mountain bike race.

Mike Broome, who lives in Anning Road, took part in the race through Kielder Forest, on the border of England and Scotland, alongside 598 other cyclists in heavy rain.

A year earlier, Mr Broome, who is an instructor at the Boat Building Academy at Monmouth Beach, gave up smoking and bought a mountain bike to improve his fitness. His hard work and dedication meant he was ready to face the 100 miles of off-road cycling in some of the toughest conditions that the race had seen, which resulted in only 177 of the 599 competitors completing the course.

Unfortunately, despite battling hard through the rain and mud, Mr Broome missed the 51 mile cut-off by just eight

## Credit Union looking for volunteers

THE Lyme Regis branch of the First Dorset Credit Union has been open for just over six months, providing an ethical banking service for the community run by the community.

Members can save money with the Credit Union and also apply for low cost loans from £50 to £7,500. It is a safe and cheap alternative to high street banking and doorstep lenders in rural Dorset, regulated by the Financial Services Authority.

A variety of accounts are available including a Young Saver account to encourage young people to save and a very popular Christmas account, in which savings are totally safe and are sent to you automatically in November. Standing orders can be used to pay into these accounts regularly, so if customers are unavailable on Tuesday morning they can still bank with the Credit Union. The Service Point

is open between 10am and 12noon on Tuesday mornings.

The branch is now working towards opening another session at the Woodroffe School in the New Year. This would enable staff, teachers and most importantly students to save with the Credit Union. The service point will open in school on Thursday lunchtimes and will be run by sixth form students with the support of adult volunteers.

However, one or two more volunteers to help make this possible. Volunteers do not need to have experience in handling money as full training will be given, and would need to be available from 1pm to 2.30pm on Thursdays during school term time.

To volunteer or for more information, contact Heather Prior at Lyme Regis Development Trust on 01297 445021 or heather@lrdt.co.uk

# The day Jedward shunned me... twice!

THE peaceful lifestyle and beautiful surroundings of Lyme Regis attract a surprising number of celebrities, both on work and leisure visits. However, I don't think the town has ever played host to anyone quite like Jedward before.

Irish twins John and Edward Grimes, better known as Jedward, shot to fame after reaching the live finals of "X Factor" in 2009. They have since become either loved or hated for their eccentric

By Francesca Evans

dress sense and over-the-top behaviour, which definitely made them stand out from the crowd when they arrived in Lyme Regis on Thursday afternoon for filming with the BBC.

When news broke on Facebook that the twins were staying at the Bay Hotel on Marine Parade, I was quite stunned. I've never been a Jedward fan but was still excited at the chance of spotting the

pop star duo, as they were the last people I'd ever expect to visit little Lyme Regis.

I was quite glad when my colleague Lisa Bright offered to come with me on my Jedward hunt, as I have little experience in staking out celebrities' hotels. I wasn't very good at it. I made the rookie mistake of arriving outside with my camera hung around my neck,

and made myself blatantly obvious by staring up at all the bedroom windows. I soon spotted one of them on the top floor and, just as quickly, he spotted me.

I've never thought I looked like a member of the press. Perhaps I just don't have that look, I seem too young or I smile too much. Whatever it is, no one ever guesses I'm a reporter, but half of Jedward seemed to clock me straight away.

Even if he hadn't noticed us, he was about to, as fellow *View From* reporter Tom Glover arrived on the scene and, bolder than me in situations like this and on instruction from my dad, *View From* editor Philip Evans, he shouted up at the window: "Jedward, come down and have your picture taken!" Shockingly, he didn't accept.

An hour and a quarter later, and now with soggy feet, Lisa and I were about to give up, when suddenly we noticed an unmistakable character in a black and fluorescent pink jacket and red high-top trainers walking towards the hotel. As he approached the door I dashed toward him and,

not knowing which twin he was at the time (it later turned out to be John... we think) and feeling stupid shouting out "Jedward" to just one twin, I politely shouted "Excuse me, excuse me!" instead. He ignored me, dashed inside and the hotel staff quickly asked me to leave him alone.

I returned to the office feeling a little defeated and annoyed. Shunned by half of Jedward - the highlight (or perhaps low point) of my journalistic career. I left the office thinking the work day was over but soon received a phone call from dad telling me to get back down the seafront as Jedward had been spotted at the harbour.

This time, feeling a little more embarrassed than my first attempt of celebrity stalking, I followed them as slyly as possible. I soon realised others weren't being quite so subtle so I ditched that plan and quickly started snapping away on my camera. I couldn't quite believe what I was watching as the twins dragged a small boat from the Slipway and John rowed it around the harbour, singing "Row

■ STEADY: John rows himself around the harbour

Row Row Your Boat" and posing whilst his brother Edward took photos.

One spectator politely warned them to be careful as the tide was going out. She then offered to take a picture of the pair together before asking for a photo for herself. They happily obliged and posed with the woman, so I thought they couldn't possibly refuse me again. I asked: "Can I have a photo as well?" to which John looked up at me and then quickly walked away. Shunned for a second time, this was now

definitely a low point.

I stuck around anyway and took a few more snaps of them messing about in the harbour. The crowd got a little too big for their liking and they eventually returned the boat to where it was found and walked off towards their hotel. Surely no one else could get away with that?

So that was it, my awkward afternoon spent stalking the celebrity world's most quirky twins. I felt a bit embarrassed having followed them about without them even

acknowledging me, but as dad told me: "There's only one thing celebrities hate more than being recognised - not being recognised." So perhaps they quietly appreciated my efforts after all.

■ Jedward spent the weekend filming in Lyme Regis and other locations along the Jurassic Coast for a new fossil-related programme for CBBC called "Jedward's Big Adventure". They were joined by Rav Wilding from BBC's "Crimewatch".

# Golf club captain raises £9,000 for local youth

LYME Regis Golf Club captain, Ray Farrell, presented £9,200 to The Hub at the club's annual presentation night on Friday.

Mr Farrell selected the youth club as his charity for the year and hosted a number of events to raise funds towards its refurbishment. The cheque was presented to chairman of The Hub's fundraising group, Councillor Terry O'Grady, at the function on Friday.

Councillor O'Grady said: "As chairman of The Hub fundraising group it gave me great pleasure to receive a cheque for £9,200 from captain Ray Farrell. I would like to thank Ray for his hard work and dedication to this charity, and also thank his wife Patsy and his family for all their help and support.

"I would also like to thank Steve Philips, Dave Astill and all at Lyme Regis Golf Club. And also

a big thank you to all the sponsors and people who donated prizes for the events."

■ THE Hub youth club in Lyme Regis is calling for more support in a bid to win £6,000 from NatWest CommunityForce.

The Hub is up against 47 other projects in West Dorset, and the top three with the most votes will win £6,000, which the youth club would spend

on disabled toilets.

However, supporter Ayvin Rogers has reported that support for this funding has not been as great as that in previous campaigns for The Hub. He said in 15 hours, 8,913 votes were made for The Hub to win £6,000 Lottery funding, but only 80 have voted online for the NatWest Community Force money since late September.

Mr Rogers said that this

"doesn't reflect The Hub's support" and believed the problem may be down to the difficulty of voting online, as many people have complained it was "frustrating".

Votes can be made online at [www.natwest.com/communityforce](http://www.natwest.com/communityforce) but Mr Rogers has urged supporters to vote via the free phone line if they are unable to vote online for find it too difficult.

To vote for The Hub by phone, call 0800 2100 246 or for hearing/speech impairments phone Minicom 0800 0155 545 and when asked voter for Project 5813 Lyme Regis Development Trust. Lines are open until Monday, October 24th.

Mr Rogers added: "Please don't be casual and rely on others. Your effort could make the difference between £6,000 or not. I know there are loads of supporters but frustrated with their site. Just phone them for free."

He also urged supporters to spread the word via social networking sites Facebook and Twitter.

## Celebrity chef granted permission for restaurant balcony extension

LOCAL celebrity chef Mark Hix has been granted permission to extend the terrace at his Hix Oyster and Fish House in Lyme Regis.

The currently small timber terrace will be extended around the side of the restaurant in Lister Gardens to provide more space for diners.

The district council also gave permission for a change of use from a shop to shop and cafe at Fish and Two Veg greengrocers, 49 Broad Street, which is a listed building. The council ruled that the shop should not be open before 8am and after 10pm on Mondays to Saturdays and before 11am and after 9pm on Sundays and Bank Holidays, and the cafe should not be open before 8am and after 9pm Mondays to Saturdays, and before 11am and after 7pm on Sundays and Bank Holidays.

■ THE district council has also approved the following applications (Lyme Regis Town Council comments are in brackets):

Certificate of Lawfulness for a shepherd's hut at Shire End West, Cobb Road, to provide bed and

breakfast accommodation (town council made no comment);

First floor side extension and balcony at 1 Lymbrook Cottages, Jericho (no objection);

Install gas meter and gas pipe to second storey, and make internal alterations to Flat 3, Long Entry Flats, Long Entry, which is a listed building (no objection);

Replace garage with chalet-style detached house with shared access off West Hill Road at The Vicarage, West Hill Road (recommend approval);

Build garage/store at Fairfield Cottage, Charmouth Road (recommend refusal due to lack of recent ground stability reports);

Single storey rear extension at 1 Colway Rise (no objection);

Install PV solar panels to the south west and south east roofs of St Andrew's House, Uplyme Road (recommend approval);

Conservatory, porch and cladding at Flat 9, Farnham House, Stile Lane (no

objection);  
Single storey front extension at Seagull Cottage, Old School Yard, Church Street (recommend approval);  
Retain extensions to garage and proposed car port at Driftwood, Sidmouth Road (recommend approval);  
Insertion of two first floor windows on north elevation to accommodate internal mezzanine at Woodmead Halls, Hill Road (town council did not comment);

Alterations to windows including Juliet balconies on front elevation and demountable awning for external seating area at the Bay Hotel, Marine Parade (recommend approval);  
Build terrace at Lewesdon, Silver Street (recommend approval);  
Dormer windows at the Beach House in Bridge Street (recommend refusal);

Loft conversion including two dormer windows at 11 Monmouth Street (town council did not comment);  
The application received six letters of objection and one in favour. Speaking at a recent town council Planning and Highways Committee meeting, one concerned resident said the extension would cause the "gradual destruction to the view and character of Lyme's seafront".

The town council recommended refusal on the grounds that it would be "detrimental" to neighbouring properties, including listed buildings, by blocking light, and to the surrounding street scene and the application was later refused by the district council.

# Dream come true for former lifeboatman

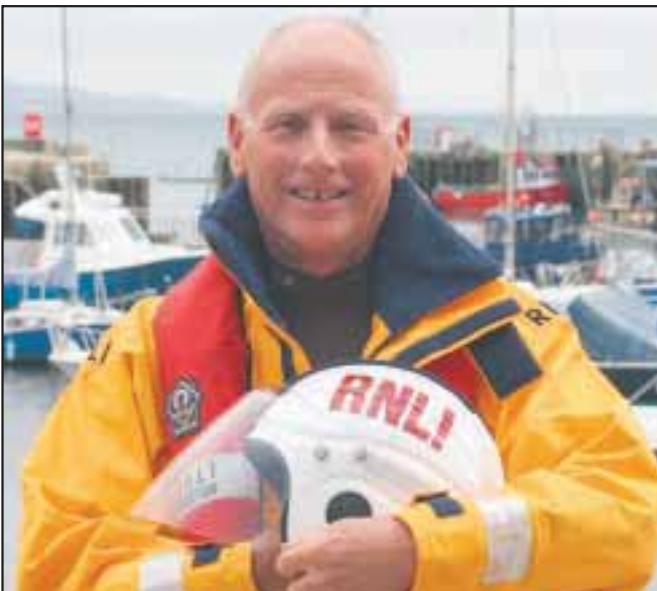

HE was an RNLI volunteer for more than 30 years and played a vital role in saving hundreds of lives, but one ambition remained for Rob Fossett after retiring from running Lyme Regis Lifeboat Station last December.

Mr Fossett had never been on one of the RNLI's latest vessels – the Tamar class – and he wanted to experience the thrill of a slipway launch just one more time, which is where the RNLI crew at Padstow and their Tamar class lifeboat were able to help.

Rob, 59, was invited to visit the Cornish lifeboat station last week and to join the crew for the slipway launch and a training session at sea.

"It was just amazing," said Rob. "We were at sea for two hours in pretty lively conditions. The crew of seven, under the command of second coxswain Richard 'Pip' Pitman were brilliant and so disciplined. I was very impressed."

"It is 20 years since I last experienced a slipway launch, and there is nothing like it. But after the

■ DREAM COME TRUE: Former Lyme Regis lifeboatman Rob Fossett

launch there was still the icing on the cake to come."

For the last 30 minutes of the training session Rob took the helm of the £2.7million lifeboat.

"It was an evening I will never forget," he added. "I

don't think anyone really knows what it meant to me and it was a wonderful way to round off my voluntary RNLI career.

"Although the boats and the equipment have changed vastly since I joined the RNLI in 1967,

one thing that hasn't changed is the dedication of the volunteer crews who are still willing to leave their beds and their comfortable homes to take the lifeboat out regardless of the conditions."

■ PICTURED above are Carol Prosser, Thelma Lancaster and Julie Fuge who ran a stall for the RSPCA on the last day of the summer Monday markets in Charmouth. The ladies would like to thank everyone for supporting the stall, which raised £1,925.48 with a further £161.98 in the dog collection box. Thanks also go to Harry Greenough and Shea Devine for putting up the gazebo and Val Cronin, the local RSPCA representative, and John Perry of J.C. Markets Ltd.

■ YOUNGSTER Bentley Moore, pictured left, from Lyme Regis found a great surprise in his garden after returning from holiday. After recently returning from Ireland, Bentley found his wild sunflower had grown to an impressive 3.1 metres or 10 feet high.

## 40 year celebration at Livingstone Textiles

LIVINGSTONE Textiles is celebrating 40 years of trading in Bridport with a week of events starting on 17th October.

The business was started by Mr Arthur Lloyd and his wife in 1971 when they moved from Lancashire to the area. Mr Lloyd had managed the Livingstone Textile Mill in Burnley – hence the name of the firm.

Livingstone Textiles was the first tenant of the then newly formed Haywards Estate, taking over the former premises of the net makers Sidney Gale in St. Michaels Lane.

Initially the business concentrated on mail order supply of dress fabrics, and over the years developed the retail and curtain fabric side of the business. Arthur Lloyd was joined by his son John and daughter-in-law Cheryl in 1972 and together they expanded the business to be one of the

largest fabric suppliers in the South West. At one time the firm had 21 staff members.

Livingstone's had a tradition, carried on to this day, of sourcing different novel fabrics where ever possible. This included hiring a Luton van once a month and filling it with fabric bought directly from the mills of Lancashire and Yorkshire. Sadly most of these mills will have now closed, but the firm still prides itself on stocking many different fabric types with a myriad of uses.

40 years of trading means that huge numbers of people from Devon, Dorset and Somerset as well as visitors to the area have "climbed the stairs" to Livingstone Textiles – often accompanying their mothers or grandmothers! There are also several generations of 'Saturday girls', many of whom made careers in tex-

tiles and design. As part of their celebrations the firm wish to record the memories of customers and staff for posterity. These thoughts will be professionally recorded in conjunction with the Bridport Museum and archived as an audio history for future generations. Former uses of the building for net and rope making will also be included.

The celebrations will take the form of a 'Livingstone Memories' week commencing on October 17th where memorabilia will be on display. Anyone who can loan a photograph or small item for the display is invited to bring it to the shop. All items will be returned after the end of the exhibition.

The week will also include a free tour of the building to see behind the scenes. The building Livingstones inhabits includes what is believed to be one of only two covered rope walks still left in Bridport.

Thursday is 'Bring Your Item' day. Anyone who brings in an item made with supplies from Livingstone Textiles any time in the last 40 years will have their photograph taken with their item and receive 10% off fabric bought or ordered on the day (up to maximum of £50 discount). There is late opening until 6.30pm to allow those who are working during the day to take advantage of this offer.

New owners Tom Baldry and Megan Standage firmly believe that the future is built on the past, and hope that the town will join them in celebrating Livingstone Textiles rich history.

## Welcome to Beaminster...

### Shopping in Beaminster is a pleasure

IT'S NO wonder more and more people are doing business in Beaminster. There are over 160 businesses in and around the area and the number is growing.

The shops and businesses cover just about everything you could need with the town building a reputation as one of the leading shopping centres in West Dorset. Parking is easy while the town has a warm and friendly atmosphere that is often described as a traditional Dorset town combined with a French feel and look. No wonder the recent French market brought in crowds from all over the area.

Mind you it's not surprising when you look at a few facts and figures. Sixty percent of the population are in the 45 plus age group—the ideal target market to attract business to the area, the area's wealth is 33% above the Dorset average and the crime rate is just 10% of the national average.

Said Nigel Reeve, Chairman of Beaminster Chamber of Commerce: 'For too long Beaminster has been an undiscovered gem. We are predicting that over the next few months and years this is going to change. There's no need for the locals to shop elsewhere, they can get all they want here. Add to this the area's attractions and you start to see somewhere where people from all over West Dorset are attracted. It's the range of businesses, the easy parking and the unique atmosphere. Put this lot together and you have somewhere very special'

## Marketing West

### Marketing Agency Continues to Grow

**MARKETING** West is an advertising, marketing and ideas agency that works closely with its clients. In fact it becomes part of their marketing arm leaving clients free to concentrate on their businesses.

The company takes a proactive role producing ideas and initiatives. Clients realise they should look closely at their marketing, but they don't have the time to do it. Marketing West takes this problem away by meeting with clients and then producing a series of recommendations. Once agreed they make the project happen on time and within budget. The company asks to be judged on sales that result from its work,

not awards.

Marketing West keeps its costs realistic often helping clients reduce

their marketing spend, not increase it. Marketing West has a pool of designers,

writers, printers, studios and website designers all part of the Marketing West team.

## Time for council to look at disabled accessibility issues

■ FIRSTLY, I would like to extend my condolences to the family of the young woman who died, after falling off the Victoria Pier. Twenty is no age to die and under such circumstances is truly tragic.

Unfortunately, it does highlight something that I have been harping on about for the last three years - that of disabled inaccessibility in the town. From uneven pavements, to lack of disabled parking, Lyme Regis seems to deliberately make itself disabled-unfriendly. Even some of the seating in the new shelters is difficult to access for persons with mobility issues. Precisely the people who would need access to said seating.

I can understand the need to preserve the heritage of the town, indeed I applaud it, but to deliberately exclude, or at the very least ignore, some of the more vulnerable members of both our own and the wider community seems, at best, narrow-minded and, at worse, illegal.

We have a large elderly community in this town, many

of which have mobility issues, or other disabilities. Many will not shop in Lyme Regis due to parking problems. The one disabled spot that we have in the town centre is often taken up by a huge 4x4 or BMW, with no blue badge. The car park at Cobb Gate, or the one across the road, has no disabled spaces. Other disabled spaces in town require an additional permit to be obtained. Good for residents, but useless for visitors.

I'd like to know what our new council intend to do about this blatant discrimination? Instead of focussing on signage or discussing council business in public houses (as appears to be the case), maybe they could focus on social inclusion within the town? We've worked hard at inclusion for young people, let's now look at another vulnerable group in society.

Glenn Willis,  
Lyme Regis

## How can one doctor manage it all?

■ SO this means that we are going to have the choice between Dr Forbes Watson and Dr Forbes Watson as our GP.

That is no choice and is not acceptable. How does Dr Forbes Watson think he will run the medical centre with over 70 staff, plus Kent House and the staff there, plus be on the committee of the PCT in Dorchester without the patients suffering?

It is ludicrous to think that he can, he has forgotten that the patient is the most important person in all of this. It isn't a power game, it is real life and often is a matter of life and death. Let Dr Conway stay at the medical centre.

## Medical centre 'will prosper' under new management of Dr Watson

■ MY wife and I have used Lyme Regis Medical Centre for the past 14 years and are as concerned as any other patients about the future provision of our health care.

Whilst we have never been under Dr Conway's personal care, we have no reason to doubt he is a good doctor, and it has already been made very clear in your columns that Dr Conway's eviction is no reflection whatsoever on his medical skills.

Judging by their letters, some of your readers appear to believe that Dr Conway has been wronged in some way and is deserving of public sympathy. But it would seem to us that Dr Conway's predicament is entirely the result of his own actions. He decided to take his case against the owners of the property to the Bristol High Court. But the court found against him, as was reported in the press a year ago. If he had complied with the terms of judge's ruling he would by now have concluded a tenancy agreement with the owners. It must be very nice for him to enjoy the use of the property free of charge. Wouldn't we

all like to have our accommodation supplied at no cost?

As you reported in the *View*, the PCT have been paying Dr Conway "notional" rent for the premises. Where has this NHS money been going, I wonder? Operating a medical centre is a highly lucrative business anyway, so there is no reason why a reasonable rent cannot be paid. It would be interesting to know how much Dr Conway himself has been earning from the rent-free practice. I would imagine it has to be a lot more than the Prime Minister - it is widely reported that GP remuneration is now often in excess of £200,000.

Whilst Dr Conway will be missed by some, we feel sure that Lyme Regis Medical Centre will prosper just as well, and perhaps even better, under the new management of Dr Forbes Watson, if the PCT decide to give him that responsibility.

Frank and Elsie McGarry,  
Ware Lane, Lyme Regis

## Signs are 'critical' to help visitors

■ THIS letter was sent to Councillor Lorna Jenkin: Following the recent press coverage of the issue of signage at Cobb Gate, we are writing to express our views.

Firstly, it is our opinion that there is absolutely nothing wrong with the current signage. These signs have been professionally produced, and in no way detract from the surroundings. We gain regular feedback from our guests on various aspects of the town (new shelters, work on the gardens, Three Cups dilapidation, etc.) and have never had a negative comment about these advertising boards.

It is critical to the ability of Lyme to attract a constant stream of visitors that people are aware of everything there is to see and do in the town, and these signs, in their current position, do exactly this. A few years ago (before the signs were in place) we were walking through the NCP car park, and overheard a visitor say to his partner

"that's Lyme Regis done then" – the tone of his comment suggested that they hadn't spent very long in town, and that there was not much to see.

The Town Mill Cheesemonger and Brewery have both been very welcome additions to the mill complex, as has the Mill Tea and Dining Room, and all should be supported and encouraged so that we continue to offer a variety of things to see and do across all areas of the town. To allow these businesses to struggle, or, God forbid, fail because of lack of signage would be a tragedy.

Thank you for taking our views into consideration.

## Wessex Ecoheat Ltd

**ARE YOU** using oil or may be gas as your heating fuel? Have you considered alternative options for you to heat your home? Have you heard of biomass? Perhaps you'd considered biomass fuel to be too agricultural, too labour intensive or too difficult to source.

Bridport based Wessex Ecoheat Limited can demonstrate to you that biomass is a viable alternative to fossil fuels. Since establishing over 4 years ago, they've completed over 50 installations throughout the region, 75% of which are fuelled by wood pellet and the remainder by split log fuel. Many of their installations are also integrated with solar thermal panels.

Having been one of the first MCS accredited biomass and solar thermal companies in the region, Wessex Ecoheat provide a comprehensive design and install service to households and small commercial properties which will attract the Renewable Heat Incentive (RHI) grants coming on stream late in 2012. Embracing modern installation techniques and control systems, the high quality systems are a sure way of reducing not only a households' carbon footprint dramatically, but also the annual running costs involved in heating a home. Utilising wood pellet fuel manufactured from compressed waste sawdust or your own log fuel, advanced technology gasification boiler systems can provide controlled heating to any size of home and are ideally

suited to replace oil-fired units.

Delighted to have been selected as winners of the South and West Dorset Open for Business 'Small Business' Category last week, the Directors of Wessex Ecoheat are now making plans for their future which includes a move in to larger premises in North Mills Bridport.

The company has now expanded to include a new apprentice, local school leaver Cameron Vere from Lyme Regis. Cameron attends his day release course at Exeter College and is supervised on site by Director Jed White who oversees much of the installation work undertaken by the company.

Founders of the company, Philip & Claire Upon are looking forward to moving to Bridport where the new premises will provide a more suitable environment for the business to continue to expand.

In a statement following the success of the Open for Business awards, Claire Upton says "we're so delighted to have been selected for this prestigious award. We're passionate about the difference we can make as a company in bringing affordable sustainable energy solutions to households in the region and having this award will help us be recognised and further grow our business".

## Sherborne Turf

**S**tablished in 1972, Sherborne Turf has grown steadily to encompass all aspects of gardening, while maintaining its traditional values. Our turf is grown in high quality farmland which forms part of The Trent Estate, using a unique blend of grasses that will knit together to form a firm base.

From our location in picturesque village of Trent, we are able to service an area within a 50 mile radius of Sherborne using our own fleet of vehicles and drivers experienced in the handling of turf.

We also supply a full range of ameliorants, all locally sourced. Our topsoil is screened to 10mm and stored under cover in the winter for delivery in bulk bags. Alternatively loose loads are available for bulk orders, delivered using vehicles ranging from a 4-wheel tipper to an 8-wheel bulker. Our range of composts and mulches are also available from stock, and with a wide variety to choose from, we have something to cover every aspect of your garden.

The landscape accessories and irrigation equipment we sell are the same type and quality used by our own experienced team of landscapers, and these reflect the same high standard Sherborne Turf has built its reputation on.

All of the staff at Sherborne Turf have experience of the products we sell, so for assistance on any aspect of your garden project, please give us a call on 01935 850388. Office hours are 8am to 6pm Monday to Friday, and Saturday mornings during busy periods.

HERE is a quote from one of our customers:

"Best hairdressing salon ever! Having used several salons in the past and struggled with getting a good colourist and stylist, I discovered Sue and Kelly's Salon. Lovely place, lovely, warm and welcoming staff, relaxed atmosphere, and at the same time professional with no attitude. Most importantly Kelly and more recently Sue both do a brilliant job of my hair. I always come out of the salon with my hair looking and feeling great- I wouldn't go anywhere else now. To all those vain people out there, I would highly recommend that you give Sue and Kelly a go and you will not be disappointed.....and this is coming from someone who is and has always been very fussy about her hair. Definitely the best hair dressing salon ever in sunny Dorset."

Come and visit our salon and see for yourself we are situated in the heart of Weymouth's Historic St Albans Street.

## Aqua Fintastic

Hi I'm Julie; I am a qualified nurse, my previous experience using unusual treatments was using leeches (in Plastic Surgery) I have also worked on a Dermatology ward and outpatients.

When I first saw this therapy (ichthyotherapy) I had to try it for myself. The results were amazing, the skin on my feet 'baby soft' and the relaxation second to none. I loved it, and thought the potential for people whose lives are blighted by Dermatological conditions were immense; I decided to

open my own salon. Here at Aqua Fintastic we just specialise in Garra Rufa (commonly known as Dr Fish) pedicures and manicures (treatment of elbows, knees and calves)

Following all relaxing organic treatments you'll have a massage using one of our hypoallergenic creams; perfumed with natural oils for the most delicate skins and you'll re-

ceive a complimentary drink from our refreshment selection. Caring about you is part of your unique experience in my salon. Optional lacquer finishes are available.

## Every year 50,000 people in the UK hear the devastating words: You have breast cancer.

BREAST Cancer Care's unique strength lies in the way we combine our profound understanding of people's experience of breast cancer with the clinical expertise of our team of specialist nurses. Many of our staff and volunteers have had a personal experience of breast cancer. We care because we've been there and we know how to help.

Last year we held the UK's first ever Secondary Breast Cancer Awareness Day on 13 October. This year we'll be marking the day again to recognise the needs and experiences of the estimated 100,000 people who are living with secondary breast cancer in the UK. Visit [www.breastcancer.org.uk/secondary](http://www.breastcancer.org.uk/secondary) for more information.

### What is wear it pink day?

WEAR IT PINK DAY is breast cancer campaign's biggest fundraising event. Put on something pink and donate £2 to a Breast Cancer Campaign - it couldn't be easier to help save lives! In 2010, hundreds of thousands of you wore pink, raising over £2 million.

At Breast Cancer Campaign, everyone can BE PART OF THE CURE. We are a unique community of scientists, supporters and people touched by breast cancer.

Together we make Pink Science happen - our pioneering approach to breast cancer research trusts scientific experts to identify the research work with the greatest potential to save and improve lives and, ultimately, find a cure for breast cancer.

The charity is currently supporting 101 research projects worth over £17.2 million in 34 centres of excellence across the UK and Ireland.

### Take part in wear it pink and be part of the cure for breast cancer!

ORGANISING a wear it pink day is fun and easy. Team up with colleagues, family or friends, wear something pink and donate £2 to Breast Cancer Campaign. It's a simple way to BE PART OF THE CURE and support the thousands of people affected by breast cancer in the UK today.

## Breast Awareness

### What should I be looking for?

Everyone's breasts are different; altering with age and at different times of the month. Lookout for changes that are unusual for you, such as:

#### Breasts

- Lumps or thickening of breast tissue
- Continuous pain

- One breast becomes larger or lower
- Puckering or dimpling of the skin

#### Nipples

- Becoming inverted (turned in), changing shape or position
- Developing a rash, crusting or producing discharge

#### Armpits

- Swelling under the armpit or around the collarbone
- Continuous pain

### Not all lumps are cancerous

- They may be benign cysts or overgrowth of tissue
- But it is always important to report any changes to your GP

### Breast Awareness in Men

- Men can get breast cancer too
- While it is rare, around 340 are diagnosed with the disease in the UK each year

### Be vigilant and look out for:

- Swelling or painless lumps in Breast tissue, often towards the nipple
- Nipples that are tender, turned in or producing discharge
- Swelling underneath armpits

## The 5 Point Code

you

- Know what to look and feel for
- Look and feel
- Report any changes to your GP without delay
- Attend routine breast screening if you are aged over 50

Quality and choice from your local department store.

## Keep your toilets clean! There is no excuse!

**A** few simple and proactive steps can make all the difference when cleaning your toilet. Many people and organisations (in non customer areas) neglect their toilets - possibly because it is seen as low priority and an unpleasant job. However cleaning your toilets on a regular basis can make all the difference.

Using Cistern blocks which can be less than £1.00 for two can be very effective in cleansing toilet bowls providing they are replenished on a weekly basis, although you could possibly get away with every two or three weeks.

Using toilet cleaner around the toilet bowl just once a day and scrubbing with the toilet brush will also make a big difference if in combination with the use of cistern blocks.

DORSET'S own award winning Ace Energy are the leading suppliers of solar power. Recently they have installed solar at a number of homes within Dorset. With the average electricity bill being around £600 yearly, installing solar on your roof can reduce that bill by up to 50% and provide home owners and landlords with a healthy profit. This is due to the Feed-In Tariff scheme which pays premium rates for power generated from solar power - Dorset households on the scheme are now earning over £850 every year. The tax free, inflation-proof payouts are designed to protect the UK from ever-rising energy prices and help lower carbon emissions. You may have noticed an increase in the amount of roofs proudly showing off their solar panels recently and according to Alan Seviour, Ace Energy's MD, solar has never been more popular.

With interest rates at an all time low investment savvy householders are looking for alternative ways to earn money and solar power offers just that.

# Kent DuChaine set to rock in Bridport

KENT DUCHAINE started in music when his father taught him to play the ukulele at six years old and at thirteen years old he got his first electric guitar and formed a band with his friends.

After reading some liner notes of an Eric Clapton album, Kent started researching blues music. He discovered a Robert Johnson album and was astounded and fascinated at the banging sound as the bottle neck knocked against the frets as Johnson slid it up and down the neck of his guitar.

Kent used a butter knife at first determined to recapture the wonderful sound. He immersed himself in blues music of Robert Johnson, Muddy Waters, Lightnin' Hopkins, T-Bone Walker, Bukka White and never looked back. Kent learned to play the slide guitar and soon developed his own ferocious wild style.

In 1970 he opened a show for the slide guitar genius, Bukka White. From 1972 until 1975 Kent performed in a band with Kim Wilson from the present day Fabulous Thunderbirds. The band backed up blues greats such as Fenton Robinson, Boogie Woogie Red, Luther Tucker, Hubert Sumlin and Eddie "Guitar" Burns. The reputation of the band grew and Willie Dixon arranged a recording contract and a concert sharing the bill with Albert Collins, John Lee Hooker and Howling Wolf.

In 1979 Kent met up with his beloved and ever faithful Leadbessie. She's a beat up 1934 National Steel Guitar that wows and astounds audiences when the equally beat up case she travels in is opened and her extra heavy strings are furiously played. Kent discovered and looked up a legendary blues man with the name of Johnny Shines in 1989.

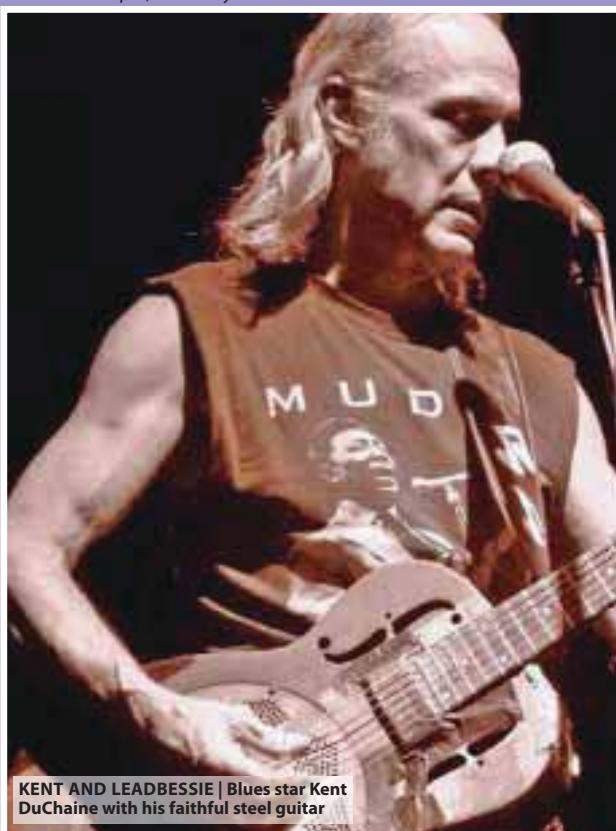

They travelled together for three years and performed over 200 shows. In that time they recorded "Back To the Country" with harmonica great Snooky Pryor and were honoured with the coveted W.C. Handy Award for best country blues album but unfortunately they did not add Kent's name to the recording. In 1991 the Smithsonian Institution honoured the King of the Delta Blues, Robert Johnson. DuChaine and Shines were specially invited to perform and "Roots Of Rhythm & Blues: A Tribute to the Robert Johnson Era" was the result. This was recorded by Sony BMG and also Grammy nominated. DuChaine and Shines' wonderful partnership and friendship was cut short when Johnny Shines sadly passed away on 20 April 1992.

Since going solo in 1982 and firstly hitting the roads in the United States, Kent and Leadbessie have probably clocked up over two million miles together, including over 80 plus tours in Europe and the United Kingdom during the last 20 years and released 7 albums, promoting the Delta blues and blues music in general.

A small handful of wives have been picked up and lost along the way and many stories gained of friendships, loves, heartaches and the blues that he communicates to his audiences, most of which, leave folk laughing or scratching their heads in disbelief.

Songs such as Shake Your Moneymaker and "Jitterbug Swing" have folk up dancing. Kent's versions of Trouble in Mind and St James Infirmary Blues have been seen to bring tears to many eyes.

Kent DuChaine plays at The Beach and Barnicott, Bridport on Friday, October 14th from 9.15pm, and entry is free.

# The Big Read

THE Bridport Open Book Festival are trying to get everyone reading from the same page with this year's Big Read event.

The Big Read initiative aims to get everyone in Bridport reading and talking about the same book, whether in book group discussions or over a pint in the pub. The choice for this year's festival is "Storm Warning", a collection of short stories on the subject of conflict by former Bridport Prize winner Vanessa Gebbie.

Once you have read the book the festival organisers are inviting you to share your views on the Open Book Festival blog: [www.bridport-open-book.com](http://www.bridport-open-book.com).

There is also a chance to meet the author who will be in conversation with fellow Bridport Prize winners Judith Allnatt and Adam Marek at Bridport Arts Centre at 6pm on Friday, November 25th.

This year there is also a chance for younger readers to get involved with a Junior Big Read.

The Junior book will be "Enchantment of the Black Dog" by Carol Hunt, which explores a 17th century world of smuggling, witchcraft and piracy.

The novel is set on and around Portland and Weymouth and follows Isabel Maydew as she sets out to unravel the mystery of the phantom Black Dog of Portland.

Junior readers also have the chance to win book tokens and theatre tickets, courtesy of Waterstones and the Bridport Arts Centre, by sharing their reviews and pictures inspired by the "Enchantment of the Black Dog".

Send them to Bridport Arts Centre, 9 South Street, Bridport, Dorset DT6 3NR or email your reviews to [openbook@bridport-arts.com](mailto:openbook@bridport-arts.com)

## Emily Barker and The Red Clay Halo Band come to Bridport

ALMANAC is the third album by Emily Barker and The Red Clay Halo Band. The album is soon to be given a full nationwide release on October 17th on Emily's own label, Everyone Sang. All 11 songs are self-penned and the album was produced by Emily and Ted Barnes (Beth Orton/ Clayhill). Before the release however, Emily Barker and The Red Clay Halo Band will play a special concert at Bridport Arts Centre on October 13th from 8pm.

Almanac is the second of Emily's albums to yield the theme for a major television drama. First, the track 'Nostalgia' from 2008's *Despite The Snow*, was selected as the theme to the BBC one series of *Wallander* and went on to win BAFTA and Television Awards. This was followed by the mesmerising 'Pause', which was used for the BBC 2 series *The Shadow Line*, broadcast in May and June 2011 (and starring Christopher Eccleston, Stephen Rea and Rafe Spall among an extraordinary cast).

Hailing from Bridgetown, Western Australia, Emily Barker is proving herself to be a compelling songwriter with a gift for weaving melody and words. Her talent is perfectly complemented by the magnificent arrangements of her band The Red Clay Halo, whose rootsy ensemble playing underpins Barker's agile vocal blend of strength and fragility. The Red Clay Halo band consists of Gill Sandell (accordion, flute, piano), Jo Silverston (cello, banjo, musical saw) and Anna Jenkins (violin).

Together, these women have not only toured the UK and internationally but have also recorded three distinctive albums. The first was *Photos.Fires.Fables.* (2007) - an eclectic tapestry of old-time narratives weaving gothic stories of fire, tragedy, love and hard lessons...

February 2011 saw the initial release of *Almanac* to radio, immediately attracting strong support from the BBC with sessions for Cerys Matthews on 6 Music and Radio 4's *Loose Ends*. The single *Little Deaths*, was picked as record of the week on *Nemone's 6 Music* show. A stream of sold-out UK tour dates followed, culminating in a rapturously received show at London's St Giles-In-The-Fields church at which *Almanac* was performed in its entirety.

The band's albums are released in the same independent and imaginative spirit with which Emily and her band approach their song making. They are entirely self-financed and released on Emily's own imprint *Everyone Sang*, with *Almanac* being jointly funded by *spareroom.co.uk* and a *pledgemusic.com* fan-funded campaign.

Tickets are available from Bridport Arts Centre box office £10/£9 members/£8 concessions. Super £3 tickets available.

# Poetry for Pleasure

by Frank McGarry

RATHER like Oscar Wilde, Dorothy Parker was as famous for her wit and as for her poetry. Sometimes her comments were acerbic as well as comical. She once said, "The first thing I do in the morning is brush my teeth and sharpen my tongue." Her cynicism was always alloyed with humour. Not unsurprisingly she also wrote some witty verses. Here are a few examples of her poems on the subject of men:

### LOVE SONG

*My own dear love, he is strong and bold  
And he cares not what comes after.  
His words ring sweet as a chime of gold,  
And his eyes are lit with laughter.  
He is jubilant as a flag unfurled --  
Oh, a girl, she'd not forget him.  
My own dear love, he is all my world, --  
And I wish I'd never met him.*

*My love, he's mad, and my love, he's fleet,  
And a wild young wood-thing bore him!  
The ways are fair to his roaming feet,  
And the skies are sunlit for him.  
As sharply sweet to my heart he seems  
As the fragrance of acacia.  
My own dear love, he is all my dreams, --  
And I wish he were in Asia.*

*My love runs by like a day in June,*

*And he makes no friends of sorrows.  
He'll tread his galloping rigadoon  
In the pathway of the morrows.  
He'll live his days where the sunbeams start,  
Nor could storm or wind uproot him.  
My own dear love, he is all my heart, --  
And I wish somebody'd shoot him.*

### MEN

*They hail you as their morning star  
Because you are the way you are.  
If you return the sentiment,  
They'll try to make you different;  
And once they have you, safe and sound,  
They want to change you all around.  
Your moods and ways they put a curse on;  
They'd make of you another person.  
They cannot let you go your gait;  
They influence and educate.  
They'd alter all that they admired.  
They make me sick, they make me tired.*

### THE CHOICE

*He'd have given me rolling lands,  
Houses of marble, and billowing farms,  
Pearls, to trickle between my hands,  
Smoldering rubies, to circle my arms.  
You - you'd only a lilting song,  
Only a melody, happy and high,*

*You were sudden and swift and strong-  
Never a thought for another had I.*

*He'd have given me laces rare,  
Dresses that glimmered with frosty sheen,  
Shining ribbons to wrap my hair,  
Horses to draw me, as fine as a queen.  
You - you'd only to whistle low,  
Gayly I followed wherever you led.  
I took you, and I let him go-  
Somebody ought to examine my head!*

### GENERAL REVIEW OF THE SEX SITUATION

*Woman wants monogamy;  
Man delights in novelty.  
Love is woman's moon and sun;  
Man has other forms of fun.  
Woman lives but in her lord;  
Count to ten, and man is bored.  
With this the gist and sum of it,  
What earthly good can come of it?*

# Stompin' Dave brings Appalachian Roots to the Electric Palace

STOMPIN' DAVE brings another great night of music from the USA to Bridport's Electric Palace on Wednesday, November 16th. Following a packed night at The Marine Theatre, Lyme Regis and a sell out at Dorchester Arts Centre for Dave with The Whitetop Mountaineers, from Virginia, this time it's the turn of **Appalachian Roots** from North Carolina.

Appalachian Roots is a duo show featuring Ira Bernstein and Riley Baugus. Their performances are a dynamic mix of traditional dance, song, and instrumental music from the southern Appalachian region of the US, with a few international twists thrown in. Concerts include percussive flatfooting and buckdancing, rhythm tap dancing, French-Canadian step dancing, English clogging, South African boot dancing, ham-bone, fiddle tunes, and fiddle sticks by Ira; southern Appalachian songs and ballads, old-time banjo and fiddle tunes, and mountain preaching by Riley; and a good dose of fiddle and banjo. Appalachian Roots is an old-time music and dance variety show chock full of humour and skill.

Born and raised in the suburbs of New York City, Ira Bernstein began dancing traditional Appalachian clogging and flatfooting, and playing the fiddle as a college student in 1978 in Philadelphia where there was a vibrant old-time music and dance community. He later went on to perform with the highly influential Fiddle Puppets, and the American Tap Dance Orchestra. Ira has performed in concerts and at festivals all across the U.S. and Canada, as well as in sixteen other countries around Europe and Asia. He has shared the stage with many of the world's greatest tap and step dancers, including the legendary Gregory Hines and has appeared numerous times on television and in theatrical productions. Ira has repeatedly won first place in the Mount Airy Fiddler's Convention old-time flatfooting competition.

Riley Baugus is a North Carolina native who began singing and playing music at an early age. Raised in a household where recordings of old-time music were often played, he developed a love and appreciation for traditional, southern Appalachian music. Riley began honing his musical skills with close friend and neighbour, fiddler Kirk Sutphin, by visiting elder traditional musicians in and around Grayson County in the Blue Ridge Mountains of North Carolina and Virginia. He often visited, played with, and learned from fiddlers such as the legendary Tommy Jarrell, Robert Sykes, and banjo player Dix Freeman.

Riley has played with numerous old-time stringbands, including The Red Hots, Backstep, and the Old Hollow Stringband, and currently plays with the Dirk Powell Band, and Polecat Creek. He has also taught banjo, guitar, and fiddle at music camps throughout the U.S., and toured in Europe with The Farmer's Daughters, Dirk Powell and Tim O'Brien, The Konnarock Critters, and Ira Bernstein. Riley makes his home near Winston-Salem, North Carolina, where he builds old-time, open-back banjos, and is part of a thriving musical community. His singing is featured on the soundtrack to the recent Academy Award winning film *Cold Mountain*.

Support comes from Stompin' Dave himself who has organised this concert. Recently described in the Daily Telegraph as "a master...a formidable musician and a true original." The performance starts at 8pm with doors opening at 7pm. For tickets please call or visit Bridport Music (01308) 425707 or Bridport TIC (01308) 424901. ## Author signing copies of Secret Places of West Dorset

HIDDEN Dorset is revealed in a new book launched this week by Corscombe author Louise Hodgson.

Having grown up in the Westcountry, and with experience of running Secret Landscape Tours, Louise decided to share her knowledge in her latest book

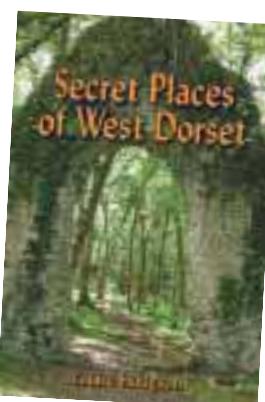

*Secret Places of West Dorset.*

The book reveals tucked away churches, ancient trackways and enigmatic stones, and is illustrated throughout with colour photographs and some of Louise's own paintings.

Louise said: "West Dorset offers huge rewards to those who care to explore beyond the well-known attractions. This book will help you find places that should provide deeply rewarding experiences. Beauty does not only lie in the eye of the beholder, it actually exists but sometimes needs seeking out."

Louise will be signing copies of her book at Waterstones in Bridport this Saturday, October 15th between 11am and 1pm.

CORSCOMBE author Louise Hodgson is visiting Bridport Waterstones this weekend

## BRING IN THE CLOWNS

ABBOTSBOURG Music present a new production by The Garden Opera Company, 'Bring In The Clowns', Impresario by Mozart & Pagliacci by Ruggero Leoncavallo, indoors on Tuesday, October 18th.

This year Abbotsbury music have gone indoors due to the rather changeable weather that October now brings us! The performance will be in the restored Electric Palace, South Street, Bridport, which was built originally as an opera house.

'The Impresario' by Mozart is the story of two divas competing for the lead in a new opera, resulting in some most amusing spats and exchanges of insults. The New Garden Opera Company has twinned this with 'Pagliacci' by Leoncavallo, a tale of lust, betrayal and treachery within a group of travelling players. This fully staged and costumed performance of The Impresario and Pagliacci sung in an English translation will be part of The New Garden Opera Company's British tour 2011.

'Bring In The Clowns' will be at the Electric Palace on Tuesday, October 18th. Tickets are £20 in advance and £22 on the door. Doors and bars will be open from 6.30pm and the performance will start at 7.30pm. To book seats please ring the Box Office at Bridport Tourist Information Centre: 01308 424901. Tickets and seats are numbered. If you need wheelchair access please let us know in advance. We can only accommodate wheelchairs in the stalls.

# A Night at the Museum

DORSET County Museum is about to host its fifth 'Night at the Museum' Sleepover on Saturday, October 22nd.

This year it has an exciting Egyptian theme to tie in with the Museum's brand new blockbuster exhibition *Pharaoh: King of Egypt*.

The sleepover is aimed at children between 7 and 13 and tickets are selling fast. Activities on the night will include drama, arts and crafts and storytelling.

Each child must be accompanied by an adult parent or carer, but each adult can bring up to three children. Registration begins at 6pm, then it's time to explore and find a good place to sleep - some galleries are kept quieter for younger children while others are suitable for larger groups. The first activity starts at 7pm prompt - and don't forget to bring a feast to eat later in the evening!

Other essential items are a roll mat, warm sleeping bag and a torch. Free tea, coffee and soft drinks will be served all evening, and breakfast for everyone will be provided on Sunday morning before the final activity.

Why not buy a ticket and help make this the most successful sleepover ever?

Tickets cost just £12.50 for children and £10.00 for adults and are available from the Museum shop now. Just pop in or ring 01305 756827.

Even if the sleepover is not for you, make time to visit the new exhibition after it opens on October 15th - what you will see there is the largest UK loan of Egyptian artefacts ever made by the British Museum and many of the objects have never before been seen outside London. The Museum's famous Victorian Hall has been completely made-over in order to fit everything in - don't miss it!

## She'Koyokh to perform at St Candida's

SHE'KOYOKH are Britain's best-known and highly regarded Klezmer and Balkan music band.

Band leader Susi Evans was a clarinettist at the Purcell School of Music, and met up with many of the eight Klezmer musicians when they played an inaugural concert for fun at the Royal Academy of Music where they were all studying. Since then, their band has completely taken off - they have travelled widely and made frequent appearances on television. The band name (pronounced she-koy-o) is a Yiddish expression meaning something like "nice one!" Their first appearance at Whitchurch five years ago was to a packed house, with standing room only. This year they have agreed to return to perform in St Candida's

Church on October 22nd to celebrate the inauguration of the 'Friends of St Candida'.

On Tuesday, August 30, 'The Friends' was formally launched by their Patron, Lord Hall of Birkenhead (Tony Hall) with a talk on his life and work. He drew interesting parallels between his life at the BBC and at the Royal Opera House, giving the memorable example of how a news correspondent in a war zone and a soloist on stage in front of several thousand people, must both 'get it right' under pressure. He talked about the importance of the outreach work now undertaken by Covent Garden, seeking to bring opera to millions of people who would not otherwise have the experience. He is now Chair of the

2012 Cultural Olympiad and is determined to ensure that Britain delivers its promise to add a rich cultural dimension to the celebration of next year's Games in London. Given his interest in church architecture, and his connections with the village of Whitchurch Canonicorum, it is fitting that he has kindly agreed to be patron of 'The Friends'.

She'koyokh will be playing Eastern European Jewish, Balkan and Gypsy music, full of high-energy and passion. The concert starts at 7.30 and is followed by a light supper. Tickets are £15 each, including supper and a glass of wine, and MUST be pre-booked as the concert is expected to sell out. Please contact Cynthia Bain - 01297 489629.

# Comedy Café returns this Friday

Up-and-comer Matt Richardson set to headline

STAND UP returns to the Bridport Arts Centre next week with the second Comedy Café night.

Following on from the sell out success of the first night six more comedians will be coming to Bridport for a bargain night of comedy.

Familiar faces in the line up this month will be Bridport's own Niki McCretton and Merlin Kothari.

They will be joined by Plymouth funny lady Debbie Jones, South West Comedian of the Year Luke Honnoraty and So You Think You're Funny finalist Alex Clisold-Jones.

Headlining the night will be up and coming star Matt Richardson. In his first year on the comedy circuit Matt reached the finals of two of the most prestigious competitions in comedy, the So You Think You're Funny and the Chortle Student Comedy Awards, as well as being named "New Act of the Year" at both the Bath and Newbury Comedy Festivals.

Having now gone full time, and having recently returned from the Edinburgh Comedy Festival, Matt will be continuing his ascent to stardom at the Bridport Arts Centre.

Resident compere, and Bridport resident, Tom Glover will once again be hosting the night, sharing his latest views on Bridport life.

"The first night went better than ever expected and the line up for this month is looking equally impressive," said Tom.

"Once again we've got a mixture of local acts, promising new comedians and a headliner who will surely be a familiar face on your TV screens very soon."

The October Bridport Arts Centre Comedy Café will be at 8pm on Friday, October 14th - tickets are available from the box office 01308 424204, £5/£3 concessions.

## FOLK DANCE

ON THURSDAY, October 20th anyone interested in recreational dance gets an additional opportunity to indulge their fancy. A regular International Folk Dance Club is starting up at the British Legion Hall in Bridport.

No prior experience is necessary as all dances will be taught from scratch. Most dances will be danced in lines or open circles, therefore there is no need to bring a partner. Participants will need a reasonable level of fitness, though, as some of the dances are quite lively.

Mecki Testroet, the dance enthusiast who will be teaching the dances, was introduced to international folk dancing in 1985 and would like to share her enthusiasm and expertise with like-minded people.

"I intend to build up a repertoire gradually from different countries, including Greece, Bulgaria, Serbia and neighbouring Balkan countries; France, Israel and many other regions around the world. I'll start with simple dances but, in time, will also introduce more intricate steps, unusual rhythms and faster speeds."

The class will take place every 1st and 3rd Thursday of the month at the British Legion Hall, 46 Victoria Grove, DT6 3AD from 7.45pm to 9.30pm. For enquiries, please ring Mecki on 01308 423 442.

Road for the Future is based at Powerstock Common, a publicly accessible, wildlife rich reserve which sits at the heart of the proposed multi-use Trailway being developed by Sustrans between Maiden Newton and Bridport.

The talks series continues with Judith Dean on Sunday, November 27th, from 5-7 pm at Powerstock Hut, with talks by Adam Chodzko and Anna Best planned in early 2012. For more details please contact Anna Best on 07810 374745 or email [me@annabest.info](mailto:me@annabest.info)

## THE UK PINK FLOYD

**Friday 14th October, 7.45pm for 8.30pm**

**Tickets £12**

THOROUGHBREDMUSIC presents the superb *UK Pink Floyd*, the ultimate Pink Floyd show and performance, which will be coming to The Marine Theatre next Friday (October 14th).

UK Pink Floyd is the most authentic Pink Floyd tribute act around. The show is a fantastic experience of superb sound quality and lights featuring state of the art visuals and videos, and includes The Dark Side of The Moon album played in its entirety, featuring the superb vocals of singer Jess Upton.

Nine professional musicians came together to recreate the ultimate Pink Floyd show and first performed about 15 years ago, at a sell out show at the Weymouth Pavilion. They are all really big fans of Pink Floyd, most of us having seen them at some point. Most of the UK Pink Floyd band members are West Country based.

Singer Ricky Stevenson says: "It started out as something that we just all really wanted to do for fun, but the early shows were received so well by the audiences, so we thought why not make a show out of it?"

The UK Pink Floyd show comes to The Marine Theatre on Friday, October 14th at 7.45pm. Tickets for the show cost £12, and are available from Lyme Regis Tourist Information centre on 01297 442138, and online from [www.marinetheatre.com](http://www.marinetheatre.com).

# STALAG HAPPY

Tuesday 18th October

7.30pm

Tickets £10

STALAG HAPPY is the award winning play based on the true story of artists Sir Terry Frost and Adrian Heath whilst interned in the WWII PoW Camp Stalag 383. Stalag Happy is a real-life tale of the human spirit's ability to find art and beauty in the most unlikely of conditions. Portrayed through the use of sharp, comic, often touching dialogue - imaginative and inventive design - and a suitably nostalgic 1940s soundtrack. Devised and performed by Edward Elks and Dan Frost (Grandson of the late Sir Terry Frost).

## BOWOOD - £585PCM

SYMONDS & Sampson Bridport Lettings Department are extremely proud to offer this charming detached character cottage, located in the idyllic rural hamlet of Bowood which is situated only four miles north of Bridport.

The cottage was originally a barn and is next to the converted Public House The Gollop Arms, which burnt down in 1917. Whilst the pub was being rebuilt, the then Landlord of the pub moved his family in to the upstairs of the barn, and served pints of beer downstairs! The barn itself is approximately 150 years old and was converted to the dwelling it is today in the 1980's.

Barn Cottage boasts extremely spacious accommodation comprising a large dual aspect sitting room with multi fuel burning stove, shower room, well equipped

kitchen with a range of modern kitchen units incorporating electric oven, hob, fridge, freezer and washing machine. Upstairs there is a spacious double bedroom with vaulted ceiling and en-suite cloakroom. As well as having an abundance of charm, the property also benefits from modern conveniences such a newly installed LPG gas central heating system and double glazing.

Barn Cottage would make a very comfortable home for a single person or couple. Available immediately at a rent of £585 per calendar month including drainage. # Spacious period town house with sea views

5/6 MONMOUTH STREET is an unusually spacious period town house with a number of features including a superb Georgian staircase. The accommodation is on three floors with views over the rooftops to the sea from the first floor and also the Cobb Harbour from the Master Bedroom on the top floor. For many years the ground floor bedroom was a retail shop which a purchaser may choose to reinstate (subject to any Local Authority consent that would be required).

The property enjoys a delightful setting opposite the Georges Square Memorial Garden just below the parish church in the much admired Old Town (a Conservation Area) just two minutes walk from the main shopping street and seafront.

Lyme Regis is an historic and much admired coastal town noted for its many character buildings, centuries old Cobb Harbour and unspoilt surrounding countryside. The town centre provides good shopping facilities for day to day needs and the larger centres of Taunton and Exeter are both about 28 miles away. There is a mainline railway station at Axminster (6 miles in-

land). In Lyme Regis there is also a sailing club, bowls, golf course, theatre, cinema and numerous local societies.

The town is situated on the beautiful and unspoilt Devon and Dorset 'Jurassic Coast' awarded World Heritage Site status by UNESCO in December 2001.

Accommodation comprises of: hall, inner hall, kitchen / family room fitted with an extensive range of pine units with tiled worktops, bedroom 5 (former shop), ensuite shower room/wet room, landing, sitting room with two sash windows overlooking the gardens and with a view over the roof tops to the sea, four bedrooms and a shower room.

Outside to the rear is a sunny courtyard garden which is mainly paved and includes a wide variety of shrubs. There is also a useful brick built Shed/Utility with plumbing for washer (cold only), light and power.

This period town house guide price is £450,000.

Viewing is strictly by appointment with the vendor's agents, Martin Diplock Estate Agents & Valuers, 36 Broad Street, Lyme Regis on (01297) 445500.

## No more flying dogs! Calls for new law on dogs in cars

A poll announced today by No. 1 for breakdown cover, GEM Motoring Assist reveals that more than 60 per cent of UK drivers believe it should be compulsory to restrain dogs in cars when driving.

The company, which also has a road safety arm, carried out the poll to find out driver's views on dogs wearing seat belts/harnesses in cars, after the issue became a hot topic over the summer. Ex-Eastenders actor Todd Carty appeared on TV campaigning for a new law to be introduced to make dog seatbelts compulsory after he had a near tragic accident with his Labrador and the new poll reveals he is not alone.

David Williams, MBE, CEO of GEM Motoring Assist comments, "Not only are unnecessary accidents caused by unrestrained animals in the car but the consequences in a crash can

be much more severe. If a motorist is travelling at just 30 miles per hour, in the case of impact, an unrestrained average sized dog weighing approximately 50lbs would be projected forward with a force equal to a baby elephant".

GEM continues to support the cause for safety of pets in cars and fully backs the calls for a new seatbelt law. The potential danger to both pets

and passengers should not to be ignored and the company urges drivers to be aware of the consequences.

David Williams MBE, GEM's Chief Executive continues: "Dog harnesses are readily available for dogs of all sizes and we advise motorists to always consider their dog as well as the rest of the family when it comes to car safety. This new law, if imple-

mented, would be a great step towards reducing the number of accidents caused by animals and any law that helps make the roads a safer place is definitely a

good thing." For more information on animal safety in cars please visit the GEM website at [www.motoringassist.com/Motoring-Advice](http://www.motoringassist.com/Motoring-Advice).

## Swift DDiS breaks 86MPG in MPG marathon

Class win with 28 per cent improvement on official combined figure

SUZUKI'S latest addition to the Swift range, the 1.3-litre DDiS, took part in the recent 2011 MPG Marathon and has achieved a spectacular result ranking second overall in the competition. The new Swift with 67PS diesel engine was driven by Southern Group Regional journalists Dave Randle and Peter Cracknell and achieved an overall fuel consumption figure of 86.4mpg, winning the class 3 category for percentage improvement over the official combined fuel consumption figure.

The Swift achieved an overall improvement of 28.3 per cent on the combined figure of 67.3mpg with a second DDiS driven by last year's class winners Dave Moss and Mike Hull not far behind either with a very impressive 25.8 per cent (84.6mpg).

The MPG Marathon, organised annually by Fleet World magazine took 37 competing vehicles on a challenging 372-mile route designed to reflect normal daily driving conditions and included major roads, motorways and dual carriageways. The Swift used just 19.6 litres of fuel on the route.

Speaking about the event, Dale Wyatt, Director Sales and Marketing commented: "The 2011 MPG Marathon has again been an excellent opportunity to showcase Suzuki's commitment to producing fuel efficient, cleaner cars and this event has certainly endorsed that."

The Swift is one of the cleanest cars in the supermini sector with emissions of 109 g/km for the DDiS model and only 116g/km for the 1.2-litre petrol engine; it also offers low cost of ownership from its £20

annual VED charge and group 8E insurance. Until the end of the year the Swift range is available with no VAT payable which means

that Swift SZ2 three-door 1.2-litre petrol now costs just £8,880. The 1.3 DDiS model is available as a five-door model in SZ3 trim at £11,125 repre-

senting a customer saving of £1,855.

## Brake welcomes new offence of causing serious injury by dangerous driving

JUSTICE Secretary Kenneth Clarke has today announced a new criminal offence will be introduced to help to provide justice to seriously injured victims of dangerous drivers.

Currently, there is no charge that specifically recognises the causing of serious injury while driving, so drivers who inflict serious injury through reckless and irresponsible behaviour may only be charged with 'dangerous driving', which carries a maximum of two years in jail, or 'careless driving', which carries a maximum penalty of a fine and disqualification.

Under the new law, drivers can be charged with causing serious injury by dangerous driving' and face up to five years in prison and an unlimited fine.

Ellen Booth, Brake senior campaigns officer, said: "Brake welcomes this new offence, which will help provide justice to families whose lives have been ripped apart by dangerous drivers. As a charity that supports bereaved and seriously injured road crash victims, we hear first-hand about the pain and suffering they experience, and repeatedly see these families being grossly let down by the justice system, which only adds to their trauma.

"This finally means that serious injury is recognised in the name of an offence, and this is vitally important to victims and their families. It also means dangerous drivers who inflict serious

injury can expect to see higher sentences that are more in line with the devastation they have caused, which in some cases includes permanently debilitating injuries that leave people with round the clock care needs.

"We hope to see courts using the full range of sentences available for this and other serious driving offences, up to the maximum. We also hope that in future the maximum sentence for causing serious injury by dangerous driving will increase to 14 years, in line with causing death by dangerous driving, so the punishment better reflects the gravitas of the crime and the appalling suffering inflicted on families."

**Anyone who has been bereaved or seriously injured in a crash can call the Brake helpline for support on 0845 603 8570.**

**Brake is an independent road safety charity. Brake exists to stop the five deaths and 65 serious injuries that happen on UK roads every day and to care for families bereaved and seriously injured in road crashes. Brake runs awareness-raising campaigns, community education programmes, events such as Road Safety Week (21-27 November 2011), and a Fleet Safety Forum scheme, providing advice to companies. Brake's support division cares for road crash victims through a helpline and other services.**

## Price is right for new Aveo...

- Prices announced for all-new Chevrolet Aveo
- From only £9,995 on-the-road
- Arrives in dealerships January 2012

THE all-new Chevrolet Aveo is set to arrive in showrooms next January, with great value pricing to match its striking looks.

From only £9,995 for the 1.2 LS model, the Aveo builds on Chevrolet's reputation for delivering great value for money – but it's more than the keen pricing that will make it appeal to customers.

With its dramatic sculpted front end styling and imposing wedge-shaped profile, the New Aveo brings a sharp, edgy feel to the supermini segment.

"Much like we did with the Spark, we wanted to take the image of small cars away from being cute and cuddly," said Chevrolet UK Managing Director Mark Terry. "Indeed, we've delivered a

car that's striking, bold and has attitude. It draws on our iconic models, such as the Camaro and Corvette, for its styling influence, with cues such as the distinctive round headlamps and dual-cockpit interior giving it a lot more personality than you'd normally find in this sector of the market."

Even in basic trim, the Aveo gets features such as remote locking, a rear spoiler, CD-stereo radio, electrically adjustable heated door mirrors and electric front windows.

The mid-range LT model adds more luxury features – 15-inch alloy wheels, steering wheel audio controls, air conditioning, a four-way adjustable driver's seat, sunglasses holder, a Driver Information Cen-

tre, Bluetooth phone compatibility, and a chrome gear knob surround, yet is priced from a very competitive £10,995 on-the-road.

The top specification LTZ variant has features normally reserved for bigger and much more expensive cars, including a leather steering wheel, front fog lamps,

rear parking sensors and automatic headlamps. Prices for the LTZ start at £12,195.

Four engines will be available from launch – a 1.2-litre petrol unit developing 86PS, a 1.4-litre petrol engine with 101PS or two 1.3-litre diesels, with power outputs of either 75 or 95PS. All come with a

## Success on a plate – Nissan has recipe for September sales

- Passenger car registrations of 18,573, up 17.8% on 2010
- Car retail market share of 6.9%
- Fourth best-selling brand in UK, including LCV sales

FIGURES just released by The Society of Motor Manufacturers and Traders show that Nissan continued to buck the downward trend in registrations with a 17.8% increase in passenger sales compared to the same month last year. The overall market was down by 0.8% in the same period.

The increase gave Nissan an overall market share of 5.6% in a month which is traditionally one of the big 'peaks' in the car sales calendar due to the registration plate change. Even more impressive was the share of the retail market, where the company took 6.9%.

But Nissan is making cars that people want to buy and there is still demand out there for good product."

Demand for the best-selling Qashqai, Juke and Micra models is expected to increase further over the coming months as new, more efficient versions of all three make their way into showrooms.

Recently announced

revisions to the Juke have resulted in fuel savings and the new DIG-S version of the Micra uses highly-advanced technology to create one of the most fuel-efficient petrol engines in the world.

The Qashqai has also received a new engine, a 1.6-litre diesel with stop-start which produces just 119g/km of CO<sub>2</sub>.

## Why does it always rain on me?

DRIVER training specialist IAM Drive & Survive is offering weekly motoring tips to drivers from its head of training, Simon Elstow. This week he gives advice on driving in heavy rain.

Before you set off, set your heater controls – rain makes the windows mist up in seconds. You don't want to be fiddling with controls when you should be concentrating on the road.

Slow down. In the rain your stopping distance should be at least doubled. Giving yourself more space helps you to avoid spray, especially when following a large vehicle.

Keep your eyes on the road ahead and plan your driving so that you can brake, accelerate and steer smoothly – harsh manoeuvres will unbalance the car.

If you have cruise control, avoid using it on wet roads – it may create problems if you start to aquaplane.

See and be seen. Put your lights on – as a rule of thumb, whenever you need to use your wipers you should also turn your headlights on, and before overtaking put your wipers on their fastest setting.

Making sure your car is properly maintained will make a difference too.

Check your wipers regularly, that your tyres are properly inflated and have enough tread, and that all of your lights work and are clean. By law, you must keep the windscreen washer filled, but remember, to keep your windows clean, you must do the inside as well.

Elstow said: "There's nothing quite like getting to your car in the

rain. It's a haven from the elements. But be cautious, especially after prolonged dry spells – rain on a dry road is dangerously

slippery. "And think about the people on the pavements – remember it is illegal to splash pedestrians."

# Seasiders win their first challenge on the road to defending Intermediate Cup

**DORSET INTERMEDIATE CUP**

LYME Regis have made a good start to retaining the Dorset Intermediate Cup with a victory away to Bournemouth side Alderhot. But it took two extra-time goals to secure their place in the second round.

Lyme's victory over local rivals Beaminster in the final of the county cup competition was one of the highlights of Lyme's 2009-2010 campaign and manager Robin Townsend is keen to do just as well this season.

The Seasiders travelled to Bournemouth with a weakened side without keeper Ashley Caddy on holiday in Thailand and influential defender Mark Batey (injured) not available.

But the Lyme boss believes the club has greater strength in depth this season and was pleased with how the Reserves stepped up to the plate, including keeper Rob Meech.

There was little between the two sides in the first half but Lyme were dominant after the break hitting the woodwork twice and having one chance cleared off the line.

It was nearly all one-way traffic in extra-time with Dominic Rowe putting Lyme ahead with a fierce volley from six yards out after a corner.

Steve Batey put the result beyond doubt when he made it 2-0 in the second period of extra-time.

Townsend was pleased with Lyme's showing against the Bournemouth side and picked out defender Will Swales, midfielder Mark Bailey and striker Joe Bond as his star players.

With Lyme top of the Perry Street Premier division, unbeaten after three games, and a stronger squad, Townsend has his eyes set on more silverware for the Davey Fort again this season.

**DORSET MINOR CUP**

IN the Dorset Minor Cup, Drimpton entertained Littlemoor, third placed in Dorset Division Four, but found the Weymouth area side too strong.

The visitors went in at half-time with a 3-0 lead and although Drimpton scored two second half goals through Adam Tanner and Jordan Watts, they eventually went down 7-2.

Manager Lee Clayton declined to pick out any of his players, for a special mention, admitting: "To be honest they were a lot sharper than us."

Thorncombe Reserves also found their round one Minor Cup opponents Ferndown Reserves too strong, going down 7-0.

**PERRY STREET PREMIER**

THERE were no Premier fixtures at the weekend with a number of clubs involved in the Somerset Junior Cup.

South Petherton, Crewkerne Town and Combe St Nicholas Reserves all went through to the second round.

**DIVISION ONE**

NETHERBURY put in a five star performance in Division One to claim all three points in a 5-0 victory at Barrington.

Netherbury started strongly and were causing the hosts lots of problems in the final third. Ben Brook gave them a deserved lead in the 19th minute, with a neat first-time finish that went through the keeper's legs.

The remainder of the half was quite even, but the Ambers got their rewards for continuing to push forward when, in the fourth minute of first-half stoppage time, Ali Kamara drilled in a daisy-cutter of a shot from fully 30 yards.

Ben Brook got his second with a well-headed goal from a Kamara

cross two minutes into the second half. The Netherbury back four remained strong throughout and on the occasions Barrington did get through Mark Cuff was there to prevent them from scoring with three good one-on-one saves.

Kamara got his second with a fine solo run on 65 minutes and Brook completed a fine hat-trick with a diving back-post header from an quality pin-point cross from Lee Quincy.

Netherbury manager Andy Loudon commented after the game: "It was out best team performance for some time and our front four caused them all sorts of problems."

He named Ben Brook as his man-of-the-match, not only for his hat-trick, but also for a great all-round performance.

Beaminster Reserves chalked up their first win of the season with a convincing 5-1 victory at home to Lyme Regis Reserves.

Manager Roger Ormsby plumped for a new 3-1-4 formation with two wing-backs and it certainly paid dividends. Beaminster were 2-1 up at half-time and then it was left to man-of-the-match Josh Hunter to bang in four goals. Centre-back Daryl Reed also had a good game.

Lyme's sole goal came from Nick Phillips with the experienced Luke Clifton having a god game at centre-back.

**DIVISION TWO**

FOURTH placed Uplyme came up against stronger opposition than they expected at bottom side Misterton Reserves and were disappointed to have returned home with only a point from the 3-3 draw.

All six goals were scored in the first half with Alex Cottle (2) and

Adam Neale on target for Uplyme. Kenny Forbes and Colin Fletcher were on target for the home team.

Uplyme manager Rob Coombe was disappointed the referee only played 41 minutes in the second half with his side pushing hard for the winner.

Misterton manager Paul Burkhardt admitted they were under the cosh in the second half and though Uplyme were the best side they have come up against this season.

He picked out defender Louis Best as his best player whilst Coombe gave that accolade to midfielder Adrian Strawbridge.

Charmouth picked up their first points of the season from four games with a convincing 4-0 win over Hinton, described by joint manager Gerry Bearpark as "an awesome display".

The Cherries were 1-0 at half-time but played their hearts out in the second half to add three more goals to the score-sheet.

Midfielder Simon Smythe, who banged in two of the goals, was given the man-of-the-match accolade for a brilliant midfield performance. Young striker Matt Pile also found the back of the net.

Gerry Bearpark told *View Sport*: "It was a good all-round team performance. We played out of our skins and thoroughly deserved the three points.

**DIVISION FOUR**

UPLYME'S newly-formed Reserves continued to struggle when they entertained neighbours Lyme Bantams, losing 5-1.

On target for the Seasiders were Pete Peacock (3), Patrick Skibinski and Tim Edwards. Gavin Fowler replied for Uplyme - his 398th goal in Perry Street football.

**BRIDPORT YOUTH RUGBY**  
Chippenham U17s 48pts Bridport U17s 17pts  
Bridport came unstuck against the reigning Dorset & Wilts champions to lose their first game of the season and although they fought hard throughout, the home side's bigger forwards always gave them an advantage.

Slow to shake off the effects of the long journey and travelling without a specialist scrum-half, the Blues lost several scrums against the head and in the loose they were forced to commit greater numbers to the breakdown which left them vulnerable to Chippenham's two threats, the inside ball and the power of the home forwards told and Bridport conceded another couple of tries.

Having gone behind to a try from a scrum breakaway Bridport reduced the deficit when Bob Lester-Card kicked a penalty for holding on in the tackle. The Blues conceded three more tries before the break, but came out more strongly in the second half. They prospered when they got quick ball and their speed made several turnovers at the tackle, but when the ball was slowed down, the power of the home forwards told and Bridport conceded another couple of tries.

The introduction of Eli Halkes-Wellstead at scrum-half brought more urgency to the Blues' game and after a series of quickly tapped penalties by him and Will Haggerty had Bridport on the front foot. Although possession was eventually turned over, the first-up pass was intercepted by Harry Richardson who raced in under the posts, making Lester-Card's kick a formality. The home side came back with another couple of scores, despite some exceptional, often last ditch, tackling, but Bridport had the last word when another series of quick taken penalties allowed Halkes-Wellstead to dance through the defence and dive over the line, Lester-Card adding the final points as Bridport went down, but not completely outclassed.

cleverly scored with a reverse stick move.

Under the cosh the visitors staunchly defended but were breached again on 22 minutes when player of the match Donovan claimed her hat trick, firing through a ruck of players.

Davies almost did likewise a minute later but her shot from May's pass thumped against the post.

The second half was tame by comparison with Beaminster maintaining the ascendancy but lacking that extra bite in the final third, but under no danger themselves the game inevitably drew to its conclusion.

It was good to see Beaminster finally showing some of the qualities they undoubtedly possess that have finally come to the fore.

They showed in their game against Gillingham the previous week that they have the resilience and ability to fight back, but their movement and calling is much better now and their confidence sky high.

## BOB BUCKLER RACING

## Ethiopia and Cullahill in top form

ETHIOPIA and Cullahill's consistent form this season have earned Nick Elliott almost £40,000 in prize money and fifth position in the top owner's league table.

Ethiopia's win in the Grade Two Play Rainbow Riches At bluesq.com Handicap Chase over 3 miles on Saturday at Chepstow was the 8-year-old's fifth win in nine starts this season, whilst Cullahill's second place at Exeter on Friday in the Ilfracombe Food Service Handicap Chase over the same distance was his ninth race of which three were victories.

The local owner has a strike rate of 41 per cent, better than the four ahead of him whilst the horses have been placed in all but four of their races.

The success is also a triumph for trainer Bob Buckler. With limited suitable races for the pair in the summer months, the two have had to run against each other on three occasions, the last at Newton Abbot two weeks earlier in a Grade 3 race in unfavourable soft conditions.

Ethiopia finished fourth, but Cullahill had to be pulled up choking badly from tiring in the heavy ground. Having already had one throat operation and trying to avoid another, Buckler fitted a tongue tie and cheek pieces to Cullahill and dropped him back their previous Grade 4 class.

Despite top weight, the 9-year-old under James Best gave an impressive display just failing by a neck to beat the joint favourite Justabout to whom he was giving a stone in weight following a great run from the last fence.

Although he was top weight, the ground was much better, and he ran well in the tongue tie and had no reoccurrence of his choking problems. He jumped very well, and actually headed the winner who just got up again to win.

Meanwhile Buckler entered Ethiopia in

the former Mercedes-Benz Chase, traditionally the first big race of the winter, where he carried two-stone less than the top weight, and he and Best defied his 20/1 odds by holding on to beat Swincombe Rock by half-a-length after being in touch all the way around.

"He was very impressive throughout," said Buckler, who was slightly critical of the new rules regarding the use of the whip which came in on Monday and would have earned Best a 21-day ban and loss of riding fee and winnings, instead of the one day ban as a warning to a young jockey he got.

"He hit him 17 times throughout the 3 miles which isn't particularly excessive; the new rules only allow a maximum of eight, and no more than five on the run in."

This was a sentimental victory for owner Elliott as his much loved 1 Hear Thunder won the race back in 2005.

Buckler good season which has earned him almost £50,000 in prize money already, continued with all but one of his horses being placed.

The relatively inexperienced Small Fly despite finishing third of three in the Dalepak Ltd 'National Hunt' Novices' Hurdle at Towcester showed a lot of promise against two experienced, good horses and was only beaten a total of six lengths.

"He ran a super race. He wants at least two and a half miles and softer ground, and a left handed track. He kept jumping to the left at every hurdle that cost him about one and a half lengths each time to straighten up."

Quix also produced a good performance in finishing third in the Bathwick Tyres Taunton Novices' Hurdle at Exeter, although Buckler believes it may be another year before you see the best of this 5-year-old.

"He is a very talented horse but ran too freely. He's still growing and need to mature a bit more physically, but also mentally, which I think is what is going to take the time. But he is talented and is a really exciting prospect."

Buckler was disappointed that Saint Peray did not win his first race for the Strictly Come Racing syndicate that purchased him recently.

A double point to point winner, he finished third under conditional jockey Ed Linehan in the Western Electrical Novices' Handicap Hurdle at Exeter, beaten on the run-in for the runners-up spot by AP McCoy on O'Callaghan's Strand.

"My instructions were to go for home as they turned into the straight and stretch the field, and I feel that if Ed had done that he would have won."

"As it was he held off and was swallowed up at the finish."

"He also blundered slightly at the last which lost his momentum, but otherwise it was a brilliant run."

The only disappointment was Balliguleen who ran twice, finishing fourth out of six at Towcester with a poor jumping display, before running much better at Newton Abbot two days later, but when well in contention ran out as they started the third circuit.

## Youth football round-up

## Dorset County Youth Cup, Round 1

Bridport Under 15s 3

Chickerell United 2

BRIDPORT played on the front foot right from the off, with Jonah Ayunga, Macauley Cox and Chris Durow making good runs early in the half but went behind when keeper Will Aburrow was lobbed in the 16th minute.

Bridport were back into it shortly after when a dropped ball by the Chickerell goalie was tidied into the back of the net by Ayunga in the 24th minute, with the score 1-1 at half-time.

The game was end to end but Chickerell had all the possession early in the half and against the run of play Ayunga scored again.

The game was turned on its head when Ayunga sealed his hattrick and the victory. The visitors did their best to get back into it and score late in the game, but Bridport held on and will now meet Broadstone away in the next round.

## Kingswood Youth 2 Bridport Youth 6

BRIDPORT were in fine form against a good team from Bournemouth. Bridport started well but went behind against the run of play to a spectacular 30 yarder.

Caine Lydon had a superb first half breaking up the home team's attacks. Jon Paul Avery scored a deserved equaliser before the break.

Bridport were very good in the second half and a 25 yard free kick from Rhys Hayter put them in front.

Freddy Woolner then scored another great goal with a curling 25 effort. Liam Sayers scored two quick fire goals and it was suddenly 5-1. A converted penalty at both ends made the final score 6-2.

The Man of the Match was Caine Lydon and Bridport meet Wimborne in round two.

## Dorchester Magpies 1

Bridport Youth Under 10s 2

BRIDPORT went a goal down just before half time, following a first half where they had worked hard for little reward.

A change at half time helped and the first goal came from the outstanding Cole Lydon who stole in at the near post to skilfully guide the ball home.

Morgan Napier was causing havoc on the left. With about five minutes to go Cole scored his second and equally good goal. Grant Rist had to be at his best to pull off a couple of outstanding saves to keep us in it.

## Bridport Under 11s 6

Blandford High Flyers 3

BRIDPORT'S Under 11s went to the top of the league replacing the high-scoring Blandford.

George Wyrill slotted home from a James Cox cross then Cox ran almost the entire length of the pitch to coolly drill the ball past the bemused keeper, but

Blandford quickly pulled one back.

Striker Cameron Sayers was on top form and scored Bridport's third.

Jack Luscombe and Louis Hiatt were solid at the back but Blandford scored from the penalty spot right on half time to make the score 3-2.

Harrison Tuck scored a great goal early in the second half and then Sayers scored a fine header and completed his hat-trick by rounding the keeper and finishing well. Blandford did not give up and scored with eight minutes to go.

Charlie Legg Bagg and Luke Robertson were joint men of the match

## Longfleet 5

Bridport Youth Under 10s Jets 4

SLOW out of the blocks, Bridport were two goals behind before Ollie Hoole fired in a corner which was met with a venomous volley from Marcus Burt to pull one back for Bridport.

Bridport continued to dominate the next ten minutes and some nice work on the wing from Ryan Harvey found Liam Townsend running into space to poke home the equaliser.

Just before the break some fine passing and pressure in the Longfleet area allowed Burt to grab his second of the match and complete his hat trick, with a well taken shot into the far corner.

Both teams rallied looking for the next goal, Hoole came close but for a fine stop from the Longfleet keeper and Ben Hardie in the Bridport goal made some fine interventions to keep the scores level.

A fine move from Longfleet down the wing found their striker all on his own in the box and he duly fired into the winner.

## Poole Town Wessex 10

Bridport Youth Under 9s 0

POOLE Town started the game very brightly and their direct approach paid dividends when they scored within the opening minutes.

Bridport were under constant pressure from the opposition's long ball game over their defence and despite some heroics from Otis Tapping in goal for Bridport more goals followed for the home team.

Bridport did create the occasional break on the Poole goal towards the end of the second half but two more goals for this strong home side ended the match with a 10-0 score line.

Man of the Match was Otis Tapping

● IN OTHER results, the Under 12s remained at the top of Division One with a comprehensive 4-0 victory away at Poole Town Wessex.

Bridports Under 16s were knocked out of the cup by Poole Town Wessex going down 5-1 away from home.

Bridport Under 13 Wanderers were beaten 4-3 by Weymouth Colts.

## Former Wildcats man dies in Oz

FORMER Wildcats team manager Neil Street has died at his home in Melbourne, Australia, aged 80-years-old.

A former rider and pioneer of the revolutionary 4-valve conversion, he moved into team management 30 years ago when he took charge of the Wildcats.

He moved to Poole in 1985 after the Wildcats closed where he unearthed a host of Australian riders before moving onto Newport.

"Everyone connected with the Wildcats would like to extend their condolences to his family and all our thoughts are with them at this very sad time," said Wildcats press officer Tim Allan.

Last Friday's second half fixture between Exeter Falcons and the Wildcats was dedicated to the memory of Neil.

FINALISTS: Alan & Caroline Cash, Rhose Lawes and Cliff Moreton (Melcombe Regis)

## WEST DORSET RUGBY

## Windy conditions don't hinder Weymouth

**WEYMOUTH 47pts SHERBORNE 2nd 5pts**

THERE was a stiff breeze blowing diagonally across the Weymouth pitch that threatened to play ducks and drakes with kicking from hand, tee and with the handling generally.

The home side had the advantage of it in the first half and, although they looked the likelier outfit from the start, they conceded several penalties in the first few minutes that enabled Sherborne to kick their way upfield.

It was Weymouth who took the lead however, after some ten minutes' play when, having won a penalty, they kicked it to the corner, won the ensuing lineout and executed a front peel through their blind side flanker, Carter, who got in at the corner. To convert from out wide and into the wind was asking a lot and Sheppard's kick fell short.

The home side continued to have the edge, but they were not protecting the ball quite as they should and the game was half-an-hour old before they made their superiority tell.

The score came from a scrum in midfield and, after flooding their left hand side with backs, they secured possession and went right, leaving Will Quick with a one-on-one situation. He duly rounded his marker and got over in the corner, with Sheppard converting from the widest of angles, although he now had the breeze at his back.

Given the conditions, I felt that they needed a further score before the break, and they got one. A break from Sheppard set up centre Joe Gibson and he ran in from the twenty-two. He touched down close to the posts. Sheppard duly added the extras and Weymouth led 19-0.

Sadly they did not deal with the restart kick. A penalty was conceded. The quick tap was taken and one of the Sherborne pack got over in the corner. I felt that the home side were deserving of their 19-5 interval lead; although nothing was resolved as regards the result.

They would have felt too that their penalty count was rather on the high side and, if they continued to concede in the second half, they would certainly be punished.

Play was evenly contested in the first ten minutes of the second period, although Weymouth continued to look more dangerous than their opponents, ball in hand, and they scored a try when centre Wilson took a pass on the narrow side on halfway. He shrugged off a couple of ineffectual tackles however and ran strongly to touch down halfway out. Sheppard again added the

extras with a good kick and daylight had appeared between the sides.

The home side received a set back on the hour when number eight and skipper, Quick, was sent to the bin, the reason for which bemused me. Now a man short and playing into the wind, his side were forced into desperate defence. They came under intense pressure but withstood it, defending stoutly, and eventually put boot to ball and cleared up to halfway and in fact did not concede a score throughout the next ten minutes.

Back to full strength, their eight now began to dominate. It turned possession over at a set scrum on halfway and sent the ball wide. Will Quick took the outside channel and, when checked, offloaded to Gibson and he touched down close to the posts. Sheppard's conversion kick weaved an inebriated way over and Weymouth were 33-5 ahead.

More was to come however. The home side won possession on their opponents' twenty-two and centre Wilson cut a good angle to break the defence and touch down by the posts.

Sheppard's conversion kick was again accurate and, just before the end, a misdirected kick was fielded by Will Quick on his own twenty-two. He set off, showing extreme pace to run all of 75 yards through a tiring Sherborne side, and to touch down by the posts. The try was duly goaled, taking Weymouth out of sight at no side.

Weymouth will look back on this decisive win over the league leaders with some pleasure. The wind did cause difficulties for both sides but their pack had an edge that became more pronounced as the game progressed and Sherborne really had no answer to the strong running and pace of their backs.

**WEYMOUTH 2nd 17pts POOLE 12pts**

THE newly promoted Weymouth second side will have taken great comfort from this win over a side that has played at this level for several seasons.

In fact they started very much the brighter and scored first half unconverted tries through Max Boudoir and Tim Comden to lead 10-0 at the halfway stage.

Les Moon extended their lead after the break with a try that he converted himself and, at 17-0 ahead, Weymouth were in control.

Poole were far from finished however. They had probably been guilty of kicking away possession far too often in the first half but latterly ran at their opponents, ball in hand, and caused problems.

They came back in the late stages of the game with

two tries, one of which they converted, and imposed pressure throughout the final quarter.

Weymouth, with lock Mike Robinson, and full back Simon Dean prominent, coped with all that was thrown at them, and Weymouth held on to record the win.

In fact Saturday saw a first for the Weymouth club, for all three of their sides won in the league for the first time ever, with their thirds coming out on top at Swanage & Wareham fourths by 19 points to 17.

**BLANDFORD 12pts DORCHESTER 23pts**

ALTHOUGH winning, Dorchester will not look back at this game with much pleasure. They were at odds with authority early on and the home side took advantage of their loss of focus by crossing the whitewash and kicking the conversion for good measure.

The visitors regained momentum however and evened the scoreline with a well worked try, converted by Bament.

Blandford, playing with the slope in their favour, then scored a second try, unconverted this time and, although Dorchester responded with a penalty goal by Bament, they still trailed 12-10 at the halfway stage.

Having been perhaps a little unfortunate to have been denied a try late in the first half, Dorchester began to play a little better in the second. Some adroit tactical kicking enabled to play much of the 40 minutes in home territory and, although they were far from their best, they did manage to turn pressure into points. In fact they scored 12 points without reply during the half, and claimed the win after a pretty turgid encounter.

The Dorchester second side, also playing at Blandford, certainly played a more expansive game than their firsts, coming out on top against their Blandford counterparts 72-0.

Not such good news for the thirds however. They went down 36-24 at home against Frome thirds.

**BRIDPORT 6pts WARMINSTER 15pts**

ALTHOUGH starting well enough, Bridport would have ended the day with the feeling of 'back to square one' as far as their rebuilding was concerned.

All was well initially. They took the lead through a Ricky Stubbs penalty goal and, although the visitors converted a similar effort, a second Stubbs place kick took them to a 6-3 interval lead.

Tragedy, both personal and collective then struck, with Stubbs, out half and play maker, having to leave the field with a popped collar bone that will certainly see him out of action for several weeks. They were forced to reshuffle and the visitors took full advantage by scoring an unconverted try to take the lead.

Bridport kept plugging away however, with influential skipper, Sullivan making a welcome return from the bench in the later stages. He could not influence the final result however and Warminster ran in a converted try in the final few minutes to take them two scores ahead, and from that position they held on for the win.

Sadly for both player and club, injuries tend to happen. They are never wanted or expected and one just has to soldier on and make the best of things. There is no doubt that Bridport will do that, as will the player concerned.

The Bridport second side seem to be scoring tries, but also conceding a few. It went down narrowly at Oakmeadians Thirds by 26 points to 24, with the result in doubt until the final whistle.

**WINCANTON 0pts PUDDLETOWN 41pts**

PUDDLETOWN faced both slope and stiffish breeze in the first half of this Dorset & Wilts League Division Two encounter. They started the brighter however and their early pressure was rewarded with an early penalty goal, kicked by skipper Yeatman.

Their ascendancy continued and, around the end of the first quarter, a move from the base of a set scrum-mage created space for centre Josh Hiscock. He breached the home defence and touched down for a try that remained unconverted.

Thereafter, until the halfway stage, Wincanton asserted themselves, but the Puddletown defence coped and their eight point advantage remained until the interval.

Now with both wind and slope in their favour, Puddletown stretched away decisively during the second half. Winger James House started the scoring spree when he followed his punt ahead and won the touch down race.

Then, straight from the restart, lock forward Moise galloped over after good work by Wilson and Spicer. There was now real daylight between the sides, and more tries followed.

Marcus House made it a family affair when he ran in from long range, and this score was followed by a try by

with Keith Jenkin

Jim Talbot after a good drive by Jeremy Michael-Beale.

The visitors were out of sight now and cemented their bonus point win just before the end when, after a surge by Moise, number eight Spicer got over. Yeatman converted four of the second half tries to complete the scoring, and to take his side to a decisive win.

**PREVIEW**

ONE cannot help but question the organisation of the Southern Counties League (South) and the Dorset & Wilts League fixtures.

There are but three rounds of games during September and October, and just two in November. In January however, when weather tends to the inclement, there is a full league programme.

Would it not be more appropriate to play more games in the autumn when conditions are generally better, and to take a break, if a break is to be taken, in January/February when the weather often leads to cancellations and subsequently the necessity to catch up? Still, wiser heads than mine.

The reason for that gentle moan is that there is no league rugby being played on Saturday next as far as the BRIDPORT, DORCHESTER, WEYMOUTH and PUDDLETOWN clubs are concerned.

There are some cup games however, with DORCHESTER entertaining NORTH DORSET in the Dorset & Wilts Vase competition. This will be a tough one for the home side and they will have to be at their best if they are to progress. The Dorchester seconds too will probably find the going tough at Westbury in their second XV cup quarter final.

BRIDPORT have no game at first team level, although their seconds travel to their opposite numbers from Calne in the second XV cup. PUDDLETOWN, for their part, are arranging a club match to give game time to peripheral members of their squad; while the WEYMOUTH club is endeavouring to arrange a friendly game.

■ **FIXTURES October 15th:** Bridport - no game; Bridport 2nd v Calne 2nd (away); Chard v Burnham on Sea (home); Chard 2nd v Morganians (away); Chard 3rd - no game; Crewkerne v Minehead Barbarians 2nd (home); Dorchester v North Dorset (home); Dorchester 2nd v Westbury (away); Dorchester 3rd - no game; Honiton v Withycombe (home); Honiton 2nd v Tiverton 3rd (away); Puddletown - no game; Sidmouth v Thornbury (home); Sidmouth 2nd v Devonport Services 2nd (away); Sidmouth 3rd v Topsham 2nd (home); Weymouth - no game; Weymouth 2nd - no game; Weymouth 3rd - no game.

**Eva's commitment decisive**

A GROUP dedicated to helping young people has passed a major milestone. Loders Young Players (LYP) celebrated its 10th anniversary at its annual awards ceremony in the village hall.

Devised in 2001 by villager and retired Royal Navy captain John Hughes, LYP's success has been built on the enthusiasm and commitment of a volunteer committee and the expertise of professional coaches employed across a range of activities.

Intended to encourage participation and excellence in sport and the arts, LYP has seen members go on the represent district, county and country in tennis, real tennis, cricket and athletics. It continues to flourish, with 66 members taking part in these activities as well as archery and swimming. It has also given support to solo and choral singers.

Current members and their parents were joined at the awards presentation by coaches past and present, and by representatives of organisations that have provided financial and practical support over the years.

After a welcome and introduction by chairman David Lee, former LYP members Levi Gale, 15, and Harrison Yarnold, 13, briefly outlined their achievements in being selected at national level in real tennis and biathlon and biathlon respectively. They then assisted with the presentation of awards to current members.

Tennis: Winner - Sam Farrow; Runner-up - Marcus Burt; Real tennis: Winner - Marcus Burt; Runner-up - Conor Tett; Archery: Winner - Olivia Willmore; Runner-up - Sophie Cole; Kwik cricket: Winner - Harry Powls; Runner-up - Sam Arnold.

The Captain John Hughes Special Achievement Award, was presented by Mrs Pa Hughes to Eva Bowring in recognition of her commitment and outstanding all-round achievement in LYPs archery and kwik cricket, as a member of Powerstock Jn CC U11s and U13s team, as well as athletics, cross country, tag rugby and netball for her school.

The vicar of Loders, Jan Delaney on behalf of the PCC Fete Committee presented cheques from the proceeds of this year's Loders Fete to Loders Young Players, Loders School, Loders Youth Club, Loders Parish Council and Bridport U-13 football team.

play like a forward.

**Under 13s**  
**Weymouth 7**  
**Swanage & Wareham 48**

Straight from the kick-off Weymouth flanker Troy Bocklebank shrugged off the Swans' fly half and then ran the full length of the pitch to score under the posts.

James Davis converted the try to give Weymouth an unexpected early seven point lead.

Weymouth continued to dominate and with excellent coving tackles from the backs frustrating the Swans, the forwards exerted pressure on the visitors' defence.

The Swans finally broke through the Weymouth defence by using quick hands to create an overlap and score in the corner, and then scored two more tries to lead 17-7 at the break.

In the second half Weymouth reorganised both their pack and back line, but despite some strong tackling they looked tired and deflated.

Their forward play was pedestrian and lacked the speed, strength and discipline they had shown in the first half.

The back line also lacked the composure it had shown in the first half and the Swans ran in five second half tries without reply for a comfortable win.

Weymouth man of the match was Jack Terry.

## 'Massive' win for Magpies at Staines

SATURDAY, OCTOBER 8TH

Blue Square South

Staines Town 0 Dorchester 2

THE DEFEAT of the Massive was big in more ways than one. With manager Ashley Vickers under fire from some fans following a run of four defeats, he repaid chairman Shaun Hearn's faith in him by plotting the downfall of Staines Town where goals from Ryan Moss and sub Steve Devlin saw them ease back up the Blue Square South table.

Vickers made three changes to his side, bringing in Jake Smeeton for his first game of the season after a loan spell at Poole Town, Harrison Bell for his first start and new loan signing Adam Meeki from Aldershot Town, in place of Neil Martin, Steve Devlin and Chris Flood who all dropped to the bench. Vickers also sprung a surprise by giving the captain's armband to Smeeton.

Staines sat third bottom with nine points, just three behind Dorchester at the start of play and a win would have lifted them above the Magpies had they been successful. As may be expected from two sides fighting for points, there were few chances in the match with both sides cancelling each other out, but unlike in recent games Dorchester took advantage this time.

They took the lead on 34 minutes when Moss started and finished the move with a header into Ben Dickenson who swept the ball out to 19-year-old Mekki. He skipped past his marker before delivering a cross where Moss got in front of the home defence to half volley past keeper Louis Wells for his fourth goal of the season.

The second half was much the same as the first, and with Staines pushing forward looking for the equaliser in the final minutes, Devlin sealed the points in the first of nine added minutes when he met Smeeton's cross to bury his shot beyond Wells.

TUESDAY, OCTOBER 4TH  
FA Cup, Second Qualifying Round Replay

Hungerford Town 1 Weymouth 3

WEYMOUTH put their poor home form behind them and progressed to the third qualifying round of the FA Cup by inflicting Hungerford Town's first defeat of the season after a 12 match unbeaten run.

Crusaders' manager Bobby Wilkinson had claimed that Matt Groves equaliser on Saturday was way offside, but could have no qualms about the striker's double that saw the Terras win a trip to AFC Totton on October 15th in the next round.

The hosts had keeper Stuart Moore to thank that the score might not have been more, as the Terras continued to impress away from the Bob Lucas Stadium.

The delighted manager said afterwards: "We were fantastic and had it not been for their keeper, who made some world-class saves, it would have been six or seven."

"We created lots of chances and limited them to very few, and the work-rate we put in throughout the game was superb."

Although Jamie Beasley was once again available after a period of injury and suspension, manager Brendon King kept faith with the same team that started on Saturday, but following an unsavoury altercation between skipper Ben Gerring and Scott Dixon after Hungerford had scored their second goal, Warren Byerley took over the captain's armband.

Moore had already been called on to save from Stephen Reed before he did well to parry Groves effort on 11 minutes, and Byerley swooped to slot home the rebound.

Hungerford hit back quickly and Nicholas Ogbanufo set up Luke Hopper for an equaliser who once again shrugged off Ollie Tribe before rounding Tom Manley.

However Groves soon restored the Terras' lead, volleying in from 10 yards, before Moore produced a superb save, denying Sam Malsom with by turning away his free kick heading for the top corner of the net. Groves then miscued from right in front of goal before Moore for a second time denied Malsom, this time with his legs.

Weymouth continued their dominance after the break and Moore was working overtime saving from Reed, Groves and Byerley, a dazzling tip over from Byerley's thunderous shot.

Groves finally sealed the victory five minutes from time hooking home Craig Duff's cross. Manley, who had very little to do, prevented any thoughts of a comeback by saving from David Massey feet in the closing minutes.

## Terras go nap and make Banbury cross

SATURDAY, OCTOBER 8TH

Evo-Stik League Southern

Banbury United 1 Weymouth 5

WEYMOUTH continued their good form with a comprehensive victory at the Spencer Stadium.

Manager Brendon King opted for the same starting line-up for the third successive game, and once again his players repaid his faith by securing their fourth away victory on the trot.

Having conceded 13 goals in their last four games following a good start to the season, the Puritans were understandably edgy, and Sam Malsom tested them with two efforts early on. Weymouth took a deserved lead however on 20 minutes when Craig Duff headed home Stephen Reed's pinpoint left wing cross at the far post.

Banbury had their best spell of the first half around the half-hour mark when Will Green cut the ball back from the bye line, but Tom Manley turned Aaron Woodley point blank shot around the post was deflected round the post for a corner and just two minutes later a Green effort was cleared away by a defender for a corner.

At the other end Warren Byerley was thwarted by a defender with a superb covering tackle after he had rounded keeper Andy Kemp.

However Banbury levelled the scores on 36 minutes when Ben Polk's right sided free kick was headed down by Danny Edmond for Glenn Walker to smash it into the net from a narrow angle past Manley.

Green then scored but it was ruled out for offside before Weymouth recovered their composure and regained the lead when Duff had the simple task of nodding the ball home after Ben Gerring had in turn headed Reed's free kick back across goal.

Before the hosts knew it they were another goal adrift when Malsom picked up the rebound after Matt Groves shot was blocked, to curl his shot around the Puritans' defence into the corner of the net from the edge of the penalty area.

Weymouth continued to dominate after the break although the game became scrappy, and although Banbury saw plenty of the ball, they failed to really test the Terras' defence.

Jamie Beasley came on for Groves with 17 minutes left, and he and Byerley scythed open the home defence before the latter lifted the ball over Kemp for the fourth.

Banbury were now spent and Byerley added his second from close range from sub Mitch Conning's cross.

Dorset Senior Cup

Bridport 4 Shaftesbury 0

A LATE three goal salvo ensured Bridport's passage in the Dorset Senior Cup and a date with Toolstation Western Premier Division rivals Sherborne Town in the next round.

Magna Dorset Premier League side Shaftesbury after conceding an early goal and worked hard to keep their hosts at bay until the last ten minutes of the match.

Robin Jones gave the Bees the lead after 12 minutes following a good interchange with Russell Legg, but from them on The Rockies held firm.

However man of the moment Dan Wise broke their resolve after being teed up by substitute Adam Steele, and then added another from the penalty spot after a Shaftesbury defender had been red carded for handball in the box. Sam Charles completed the scoring when he rounded the keeper before slotting home.

SATURDAY, OCTOBER 8TH

Toolstation Western League, Premier Division

Bridport 0 Barnstaple Town 1

ONCE AGAIN Bridport failed to take their chances, and after battering Barnstaple Town in the first half, succumbed to a goal ten minutes from the end that leaves them struggling at the foot of the Toolstation Western League Premier Division.

Such was Bridport's first half superiority it was over half-an-hour before Barnstaple won a corner.

The Bees might have gone ahead in the first minute when a very extravagant under hit backpass saw the

■ EARLY CHANCE: Barnstaple 'keeper Luke Purnell races 30 yards out of his goal to deny Chris Clarke an opportunity in the first minute

Photo by ROB QUINCEY

Barums' keeper Luke Purnell race 30 yards out of a goal to block Chris Clarke with a crunching tackle that left the striker limping.

It looked only a matter of time before Bridport would score as they dominated the play with Barnstaple hardly emerging from their own half. Darren Watts fed Clarke with a superb ball but Mark Armstrong blocked his effort, before Shane Evans drove a shot in from 15 yards following a corner which was charged down. From the rebound Joe Charles' shot with the outside of his right boot just passed the wrong side of the upright.

Tom Richardson then found Clarke wide left with a good diagonal ball but his low cross passed across the goal found no one to touch it home, as did a similar effort from Chris Senior.

It wasn't until the 34th minute before Sam Filkins was really involved, but Jamie Richards header from their first corner came to nothing.

Richardson then attempted to set up Clarke twice; the first time his low cross following Dan Wise's free kick was smothered by Purnell at Clarke's feet, who then lost out to Armstrong's challenge after Richardson had won the ball and lobbed it forward.

Richardson was involved again with the last move of the first half when he neatly held the ball up before rolling it into the path of Watts whose attempted chip was held by Purnell.

Watts tried again three minutes after the break, this time his 25 yard shot drifted wide of the left hand post.

Barnstaple's first real effort on goal came on 55 minutes when Billy Hopcroft volleyed just over the bar from 20 yards following Ryan Hayter's headed clearance, and when Matt Condliffe robbed Armstrong near the left touchline before cutting in and forcing Purnell to smother his right foot drive, it looked like normal service had been resumed.

Slowly however the visitors began to get a toe hold and went close when Richard Hevingham's diagonal cross found George Swain stretching to connect on the corner of the 6-yard box but he couldn't keep his shot down.

Barums' striker Stan Paxton was lucky not to receive a yellow card with one of the most blatant theatrical dives seen that saw him throw himself down in the box, before Clarke missed two glorious chances to have put the Bees on the road to victory.

On the hour, Purnell who had been very positive all the game in supporting his back four, rushed from goal towards the touchline but was left stranded in a tangle for the ball.

Unfortunately the usually accurate Clarke miscued his attempted shot at the unattended goal from 30 yards which went well wide.

Two minutes later he was guilty of a more glaring miss after Senior had put Condliffe clear down the left. Clarke met his low cross inside the 6-yard box but somehow sidefooted it over the bar.

This seemed to breathe fresh impetus into Barnstaple

and Swain was close with a lob that just cleared the bar before Hopcroft did similar. Then James Skinner's 20-yard free kick dipped viciously, but just over, Filkins crossbar. Hevingham did get the ball in the net on 68 minutes after he followed up when Filkins parried another Skinner effort, but was ruled offside.

Richardson then missed another good chance for the Bees when he headed Adam Symes cross from the bye-line down into the ground from close in from which Barnstaple broke quickly and Filkins made a fine save turning Skinner's snap shot over the angle of the goal frame.

The goal that decided it came from an apparently innocuous piece of play just outside the Bees penalty area from which Hevingham found space to move forward and drill a low shot across Filkins and just inside of the far post for the winner.

Stung by this Bridport looked to retrieve the situation and could have conceded another when the Bees keeper could only parry Hopcroft's close range shot, but as the ball bounced towards goal man of the match Hayter cleared the danger.

SATURDAY, OCTOBER 8TH  
Magna Dorset Premier League

Hamworthy Rec 2 Bridport Reserves 0

BRIDPORT Reserves crashed to a shock defeat at Hamworthy Rec in the Magna Dorset Premier League where despite creating enough chances to have won the game easily they could not convert any and fell to two defensive errors.

This was a game the Bees expected to win and manager Steve Crabb was disappointed with the result.

"To be fair they are an improving side and won 6-1 the previous week, but we created enough chances to have won the game two or three times."

In a fairly even first half a misdirected pass in defence was intercepted to set up Rec's first goal midway through the half, before Hamworthy capitalise on another error just before the interval when Bridport failed to clear the ball.

Bridport came out in much more determined mood after the break and for ten minutes pulverised the home side with some brilliant play, but an outstanding display by the keeper who made superb saves from Adam Steele and Tristan Cox coupled with some bad luck, saw Hamworthy resist Bridport's overtures.

"As well as their keeper making some superb saves we were also thwarted by bad luck including Ben Clarke's shot hitting Tristan on the goalline! It just about summed up our day!"

The Bees then had a good shout for a penalty turned down with 20 minutes to go when Ben Clarke was bowled over by a defender from behind.

"If we had got one back then I think we could have gone on to win," added Crabb.

Living in Dorset is a real privilege. We all live surrounded by nature at its best and we eat some of the freshest highest quality food available. Small wonder that, on average, people live longer in Dorset than anywhere else in England.

However death comes to us all and when eventually the end of the road approaches, people are likely to be significantly older than they were when our Hospicecare services opened some 30 or more years ago. As a consequence they may have other conditions apart from the disease which is limiting their life and they may also be living alone. This makes our job providing support rather more complex than it once was and to meet this challenge we are flexing our services.

We need to give more support needs in people's homes. The hospice in Dorchester will always be there as the "Intensive care unit" of our work. However we look after more than 75% of our patients in the community through our three day hospice services and our Community Nurse Specialists who visit patients where they live to make assessments and arrange support in partnership with primary care and, sometimes, Marie Curie nurses. (Incidentally Macmillan play no role in any of this End Of Life work. Apart from the Marie Curie nurses, all the specialist services provided are organised and funded by Weldmar - 75% of the funding coming from the good people of Dorset and spent by us in Dorset.)

We can add to the expertise of our nurses, the generosity, warmth and humanity of our 300 or so patient care volunteers who also support our patients in their homes whether with help from walking the dog to befriending and support in bereavement. Volunteers are a wonderful addition and enhancement of our work - and we always need more of them. We train and support all our volunteers and greatly value their input. In the end it is what makes the difference.

And so it is that Dorset supports Dorset - through fundraising and volunteering - and we maintain a service which last year looked after 1300 people and in the next few years will be looking after many many more as the population ages. And personally I think that is a part of Dorset which is at least as beautiful as the landscape.
